Where Angels Rest:

When Angels Rest Donald Harington, 1998 Life in a small town in Arkansas during World War II as observed by Dawny 12 who records his observations in his daily newspaper Among them the game cowboys and Indians has been replaced by Allies and Axis and there is a new invention for protection from mosquitos called window screens **Hiking the Columbia River Gorge** Russ Schneider, 2022-06-15 This guide describes a wide range of hikes in the Columbia River Gorge from easy to very strenuous accessible and remote Detailed trail descriptions and mileages suggestions on how to get the most from your hike points of interest along the way and some history and natural history of the area as well Also included is information on how to find many of the Gorge s waterfalls for people who enjoy seeking those out For backpackers it has not only good route descriptions but suggestions on hike variations and where the best campsites are located Also included are recommendations for hiking to the best viewpoints in the gorge **Where Angels Lose Their Way** Jason Marlis, 2005 Robert Shultz author philosophy professor and renowned expert on mythology and demonology has been treading out the dregs of a life void of satisfaction Suddenly he finds his cynicism challenged by the most unlikely of visitors His guest materializes out of the thin air hovering several feet above the ground She stands just less than four feet tall her skin and hair are shades of golden white and her eyes dance with sparks of color like perpetual fireworks She tells Robert she desires him to determine exactly what she is Thus the master of writing fictional accounts of angels is faced with the problem of naming this entity who refuses to be considered an angel Could she be an alien Or perhaps a ghost drifting between planes His questions lead him in circles as his guest provides only cryptic answers At her request he agrees to hear her life story She hopes that he will catch something that she may have missed something that will be clarified if he can answer what appears to be her most vital question What purpose do I serve The tale of her life leads Robert to a new world outside of human experience Her story reflects many of the plights endured by humans but taken to impossible extremes There are beings that draw their power from light and others that thrive on darkness living in the material world while exercising supernatural powers that none of them truly understand Music permeates the air and shadows gain new treachery It is a tale of dragons wars and miracles and it is a tale of true love *Day Hikes in the Columbia River Gorge* Don J. Scarmuzzi, 2015-09-01 Designed specifically to cover almost the entire eighty five mile Columbia River Gorge corridor this is the only guidebook for the Gorge with color photographs and color topographic maps Almost every waterfall including secret ones and nearly every overlook point summit and loop hike within the Gorge is covered in great detail with specific mileage and compass directions Author Don Scarmuzzi personally hiked every single trail several times and in opposite directions on different days of the year under various conditions The book begins by describing geological events that created the Gorge The spectacular scenery with the modern day trail work help to make it a sought after destination for outdoor enthusiasts whether they are tourists or locals experienced hikers or newbies Hikes and walks are seamlessly synchronized with

surrounding hikes to build on one another to create several different loops **Personal Souths** Douglas B.
