America George Ricker, 2006-03 I spent the most of the first half of my life believing in Christianity and regarding belief in God as an essential component of human existence George Ricker says I've spent the last 30 years trying to understand why I ever thought that way This book is about how and why that process occurred It's also about the danger posed to our democratic society by fundamentalist religion Godless in America is a testimonial about the advantages of life without gods and religions It's also a no-holds-barred look at some of the problems with both concepts Written in a style that is conversational yet provocative it is a candid assessment of the real culture war being fought in America today the attack being waged by the Religious Right on the values of personal freedom democratic government and the necessity for all Americans to be treated as equals before the law and by their government At times humorous at times outrageous Godless in America treats religion and religious concepts as ideas that should be evaluated with the same standards used to evaluate all other ideas and concepts not from the privileged position claimed by so many of a religious persuasion

Islands and Captivity in Popular Culture Laura J. Getty, 2021-07-14 The choices that individuals make in moments of crisis can transform them By focusing on fictional characters trapped on fictional islands the book examines how individuals react when forced to make hard choices within the liminal space of a prison island At stake is the perception of choice do characters believe that they have the power to choose or do they think that they are at the mercy of fate The results reveal certain patterns psychological historical social and political that exist across a variety of popular public cultures and time periods This book focuses on how the interplay between liminality and the Locus of Control theory creates dynamic sites of negotiated meaning This psychological concept has never before been used for literary analysis Offered here as an alternative to the defects of Freudian psychology the Locus of Control theory has been proven reliable in thousands of studies and the results have been found with few exceptions to be consistent in both women and men That consistency is explored through close readings of islands found in popular culture books films and television shows with suggestions for future research

Earth Baby: a consumer guide for cruelty free and eco-friendly pregnancy and parenting Christa Martin, 2011

Letters to the Editor Jon Michael Hubbard, 2009-03 America is truly unique so diametrically different from any other nation conceived But many people don't understand and appreciate America's distinctive qualities In Letters to the Editor author Jon Michael Hubbard questions whether all of those who reside in the United States are capable of being Americans he contends that

America cannot be all things to all people In this collection of letters written to newspaper editors along with other related articles the author shares his personal feelings and fears about an array of topics important in today s world including liberals patriotism the military politics government education race relations immigration and Christianity Providing a provocative and informative discussion he also delves into other related topics such as national security energy issues American industry the mortgage crisis and a woman s right to choose In Letters to the Editor Hubbard a Vietnam era veteran with a deep love for this country describes what it s like to be a true American who understands and appreciates what this land offers The mindset of a true American is fueled by ambition and a burning desire to succeed Being an American is definitely not to be taken for granted

The Paranormal Phenomena Michael Hur,2016-02-20 As Bible believing Christians a question should be asked Does the Bible confirm the existence of paranormal realities as they pertain to UFOs ghosts ancient outer space travel teleportation time travel shadow governments and more The answer to that question is yes it does However what are the Bible s teachings regarding these subjects Are they the same as what mainstream media and new age teachers are telling us or could it be that the Bible gives a different and largely untold explanation to what they are In this book called *The Paranormal Phenomena* you will read and discover various Bible passages from the King James Authorized English Bible itself as it reveals many realities of the supernatural and the paranormal events of this world

Operation Pedro Pan Yvonne M. Conde,2023-10-03 Poignant stories from one of the world s largest political exoduses of children Praise for the first edition Compelling reading New Republic A collection of tearful testimonies woven with a tale of the event that unfolded in Cuba and led desperate parents to make the heart wrenching decision to send their children along to a foreign country Miami Herald Conde does an impressive job of reporting dozens of personal stories and fascinating vignettes A compilation of tales some moving many astonishing Chicago Tribune A well researched history of Operation Pedro Pan a portrait of early revolutionary Cuba and a compendium of testimony from the now grown children Publishers Weekly The book s primary value lies in the individual stories from tearful departure and arrival in Miami to temporary shelters and placement in homes or in some cases in orphanages to learning a new language and adjusting and in many cases assimilating to reunions with parents adolescence in the 60s and 70s and adulthood Booklist Conde does an excellent job of narrating the essential outline of the history of Operation Pedro Pan and an equally superb job of analyzing the circumstances that created this exodus from the viewpoint of those who felt compelled to create it and keep it going Operation Pedro Pan is as much a primary source as it is a work of history as much a window onto a mentality as it is a guide to events names and institutions Carlos M N Eire Hispanic American Historical Review Fascinating is the least one can say about this book It s the story of thousands of Cuban children who wouldn t grow up under communism and were sent by their parents to the never never land of America Some of them lived happily ever after because this version of Peter Pan is a tragedy with a happy ending sometimes Fidel Castro by the way plays a very credible Captain Hook Guillermo Cabrera Infante Cervantes Prize winning

novelist On August 11 1961 at the age of ten Yvonne Conde left Cuba in one of the world's largest political exoduses of children in history Operation Pedro Pan Between 1960 and 1962 over 14 000 children were sent out of Cuba alone by desperate parents who feared for their children's future under Castro Unlike Peter Pan however these children continued to grow up even while separated from their families As the children arrived in temporary camps in Miami volunteers such as Father Bryan O Walsh helped them find new homes across the country Conde tracked down hundreds of these children to tell their diverse stories their uplifting poignant and sometimes tragic experiences in American foster homes and orphanages Because Conde herself was a Pedro Pan child others have opened up to her like never before to share their feelings about this painful time in their lives Today these children and their families struggle to heal the emotional scars of their long separation In this edition with a new prologue Conde looks back on Operation Pedro Pan from the vantage point of six decades and brings readers up to date on events and discoveries since the groundbreaking first publication of this book in 1999 Writing with compassion and rare insight Conde uncovers the true tales of a little known episode of the Cold War

Malraux, the Absolute Agnostic; Or, Metamorphosis as Universal Law Claude Tannery, 1991 Moving beyond merely biographical or textual interpretation Claude Tannery traces the philosophy of life and art developed by Andr Malraux With both sensitivity and expert interpretation he defines the issues personal and artistic as well as political that underlie Malraux's writings including early as well as late works novels speeches and essays The result is a new and subtle portrait of Malraux

Odd Man Out Edward Dmytryk, 1996 Dmytryk describes the activities prejudices and personal behaviors of all the parties enmeshed in the congressional hearings on communism in Hollywood His reactions to other members of the Hollywood Ten and his recollection of conversations with them lend his book an immediacy that is not only informative but also absorbing Most importantly he does not uphold an ideology but rather presents the events as he perceived them understood them and responded to them

Caterer & Hotelkeeper, 1983-05 **A Conspiracy in Sci in Progres**, **The Fiction of C. S. Lewis** Kath Filmer, 2016-07-27 This book examines the way in which the fictional writings of C S Lewis reveal much about the man himself and his quest for psychological and spiritual wholeness There is new material dealing with C S Lewis's political writings especially the correspondences between his thriller *That Hideous Strength* and George Orwell's *Nineteen Eighty*

Four and some new insights into Lewis's attitudes to women **The Madwoman's Underclothes** Germaine Greer, 1994-01-10 Always strong and fearless Germaine Greer strikes right at the heart of the matter be it John F Kennedy and vaginal deodorants rape and artificial insemination cosmetic surgery the death of Jimi Hendrix or the famine in Ethiopia This collection represents a mosaic of essays long and short some of which are appearing for the first time in print and all of which chafe the conventional and are bristling with argument From the youthful liveliness of her sixties pieces which got up everybody's nose to the depth and complexity of her later work *The Madwoman's Underclothes* is a reflection both of an era and of the changing ideas and styles of Germaine Greer The essays on Brazil Cuba and Ethiopia represent my coming of age

Something like a coherent system of values is beginning to emerge after my years of wandering although I have certainly not arrived at a set of articles of faith and never will I hope Greer's opinions on social political and sexual trends and mores are tendered in her unique fashion outspoken with rapier wit and no tolerance for narrow mindedness But as explosive angry and often funny as these essays are they also reveal tenderness and sadness and that emotion that underlies all of Greer's work passionate commitment
