*The One Year Wisdom for Women Devotional* Debbi Bryson, 2022-12 We live in a foolish world with women making bad choices and suffering from the collateral damage of other's wrong choices. The One Year Wisdom for Women Devotional, based on the audio program of the same name, was birthed out of the great need for women to hear how God addresses every single facet of their lives through the powerful and practical book of Proverbs. For many, the Proverbs are hard to study because the topics jump around from verse to verse. The One Year Wisdom for Women Devotional is a practical tool that will help women in their daily walk with the Lord. It is a great companion to the One Year Bible because it directly follows that book's daily Proverbs reading. Each day not only follows the script of the Wisdom for Women audio program, it also references the One Year Bible reading schedule and ends with a powerful call to action.

Lomax, 2025-03-07. In *Freeing Black Girls*, Tamura Lomax offers an insurgent feminist love letter to Black girls, women, mothers, and othermothers. Exploring what it means to mother Black children in the twenty-first century, Lomax shares her journey from her traditionalist Black girlhood to finding the path to revolutionary Black motherhood. Along the way, she shows how all Black people are endangered by white supremacist capitalist heteropatriarchal dominance and emphasizes the power of looking and talking back. Lomax insists on Black feminist ways of living that value and nourish whole persons, sketching a radical dream that will allow Black women and girls to survive America while being able to love themselves, others, and collective Black freedom. Ultimately, Lomax declares that Black women and girls are emphatically not defective, second-class, or immanent nurturers; they are sacred and revolutionary beings who deserve to live a life free of predation, patriarchy.
