

Our Supports

WAVA offers a variety of supports for students and families. There are two main points of contact for a student. The teacher is the point of contact for assignments, content questions, as well as all things academic. The advisor is a great resource for time management, best practices, site navigation, and more!

You also have the support of the Operations Team, which encompasses your friendly Registration and Enrollment crew. Their primary role is to help you obtain and submit all necessary documents so that you can remain enrolled at WAVA. You can reach out for transcripts and school records.

We support students in moving toward independent learning and appropriate behavior. While participating in any school-sponsored event or outing, WAVA students are subject to the student discipline policies of the Omak School District.
