Inspectors and the International Brotherhood of Electrical Workers **Study Guide to John E. H. Sherry, "The Laws of Innkeepers, Third Edition"** Gwen Seaquist, 2018-10-18 Here is the new completely updated and expanded edition of the indispensable handbook used throughout the hospitality industry since The Laws of Innkeepers first appeared in 1972. Containing all the legal information essential to the successful operation of modern hotels, motels, inns, bed and breakfasts, clubs, restaurants, and resorts, the book has been extensively revised by John E. H. Sherry to accommodate the far-reaching changes that have occurred since the publication of the revised edition in 1981. Sherry, a practicing lawyer and professor of hotel administration, carries over from the highly praised earlier editions detailed information on the rights and responsibilities of host and guest alike. He cites actual cases ranging from the amusing and the bizarre to the tragic as examples and spells out in precise and readily understandable terms exactly what state and federal law says. Broadening the scope of the book to keep up with recent legal developments, the author includes many new case decisions and summaries from various jurisdictions. Three chapters devoted to employment law, environmental law, and land use and catastrophic risk liability are among the highlights of the new material. These new sections present recent rulings and case law on such timely topics as age disability and AIDS discrimination, as well as sexual harassment, government regulation of toxic and hazardous substances, and hotel and resort development and acts of God and the Public Enemy and terrorism. 2023 Oklahoma Mechanical Business and Law Contractor Exam Prep Upstryve Inc, Get one step closer to becoming a Oklahoma Mechanical Contractor with a prep course designed by 1 Exam Prep to help you conquer the required Oklahoma Mechanical Business and Law examination.
