Story Elements

- The are the people or animals in a story. The main character is the person the story is mostly about.
- The is the time and place in which a story occurs. The setting may change several times during the course of a story.
- The is the problem the main character faces.
- The is the series of story events, usually presented in time order. The plot events show what the main character does to resolve the conflict.
- The is the solution to the main character's problem.

Context Clues

- Context includes the words and sentences surrounding an unfamiliar word that help you determine its meaning.

EXAMPLE: The huge storm *inundated* the fields, covering them with more than a foot of water.

The phrases *huge storm* and *covering them with more than a foot of water* can help you determine that *inundated* means .

After completing Lessons 18 each year, we are required to give the MidYear Assessment in Reading. This is a review of skills and vocabulary covered in our first three trimesters. It will be counted as a grade. Also, our end-of-year grade for the remainder of the year will be determined by the scores on this assessment. It is our hope that students will show growth based on their performance on the Beginning-of-the-Year Assessment.
