

To Kill a Mockingbird Film Study Guide

Empathy, Growth, Justice and Democracy

The plot of *To Kill a Mockingbird* is driven forward by the conflict that the main characters experience, as their beliefs about justice and morality come into conflict with the mores of the society they inhabit. The film interweaves two primary plots: Atticus Finch's effort to follow his conscience and break the unwritten rules of the Jim Crow criminal justice system, and the socialisation of Atticus's children—Scout and Jem—as they negotiate the spoken and unspoken rules of their community. Throughout the film we observe these three individuals seeking to define their identities both within and in opposition to their society's moral universe.

Meyer,2010-10-14 In 1960 *To Kill a Mockingbird* was published to critical acclaim To commemorate *To Kill a Mockingbird*'s 50th anniversary Michael J Meyer has assembled a collection of new essays that celebrate this enduring work of American literature These essays approach the novel from educational legal social and thematic perspectives Harper Lee's

only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject matter and language. Still relevant and meaningful, *To Kill a Mockingbird* has nonetheless been underappreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today. Intended for high school and undergraduate usage as well as for teachers planning to use *To Kill a Mockingbird* in their classrooms, this collection will be a valuable resource for all teachers of American literature.
