

CHRISTOPHER STOWELL'S SWAN LAKE

Dear Educators,

In the season opening show of Oregon Ballet Theatre's *Student Performance Series (SPS)* students will be treated to excerpts from *Swan Lake*. It is a quintessential ballet based on a heart-wrenching tale of true love heroically won and tragically squandered. With virtuosic solos, an achingly beautiful score, and a majestic corps de ballet in brilliant white, it is emblematic of the opulent grandeur of the greatest of all 19th-Century story ballets. This study guide is designed to help teachers prepare students for the performance.

In this Study Guide we will:

- Provide the synopsis for Christopher Stowell's *Swan Lake*, consider some of the stories that inspired the ballet, and touch on its history
- Learn some facts about the music for *Swan Lake*
- Consider the way great dances are passed on to future generations and compare that to how students come to know other great works of art or literature
- Describe some ballet vocabulary, steps and choreographic elements seen in *Swan Lake*

At the performance we will:

- See slides of *Swan Lake* productions past and present and meet Portland's own *Swan Lake* celebrity
- Listen to and identify a *leitmotif*
- See Act II and other excerpts from *Swan Lake*

For those of you who are regulars at our *Student Performance Series*, you will note that this particular performance is at 12:00 noon instead of the usual 11:00am. We have done this for a specific reason—to provide enough time for the dancers to warm-up for the demanding physicality of *Swan*

Lake while still being able to fit the show into a school day schedule. Be sure to tell us how you feel about this schedule change in the "comments" section when you fill out our survey after the ballet at:

www.obt.org/outreach_sps.html

In order to provide affordable programming for the *Student Performance Series (SPS)* we are supported by generous funding from donors who are concerned about education for youth. As well, OBT is mindful to keep *SPS* costs lean. This means that often *SPS* performances are done to recorded music instead of the live music performed for the public. This places a challenge before us—how to find recorded music with the right tempos and qualities for the dancers who are used to the inspiration of live music? This season we have been given a wonderful solution to that problem, one that is a testament to the OBT Orchestra's commitment to educating the students of Oregon and Southwest Washington. We are being allowed to use a recording from a 2006 performance of *Swan Lake* at the Keller Auditorium for our *SPS* show. For this one performance the musicians are suspending a rule in their contract that normally does not allow performance recordings to be replayed for any reason. We send big thanks to the musicians for this gift.

See you at the Keller Auditorium!

Director of Education and Outreach
