Scattered and Gathered Michael L. Budde, 2017-09-15 This volume takes its title from the first century Christian catechism called the Didache Even as this broken bread was scattered over the hills gathered together and became one so let Your Church be gathered together from the ends of the earth For Christians today these words remain relevant in an era of massive human movements voluntary and coerced hybrid identities and wide ranging cultural interactions How do modern Christians live as both a scattered and gathered people How do they live out the tension between ecclesial universality catholicity and particularity distinctive ways of being church in a given culture and context Do Christians today constitute a diaspora a people dispersed across borders and cultures that nonetheless maintains a sense of commonality and mission Scattered and Gathered Catholics in Diaspora explores these questions through the work of fourteen scholars in different fields and from different corners of the world Whether through reflections on Zimbabweans in Britain Levantines in North America or the remote island people of Chiloe now living in other parts of Chile they guide readers along the winding road of insights and challenges facing many of today's Christians

Christianity and culture and global Christianity for the first time What Is Not Sacred? Magesa Laurenti, 2014-04-10 It is not for you to call profane what God counts clean Did Christianity replace traditional African religion with the arrival of European missionaries in past centuries Or did sub-Saharan African cultures persist in maintaining their religious worldviews even after accepting the salvific message of Christianity In this compelling book Laurenti Magesa argues that despite missionary Christianity's refusal to acknowledge the worth of traditional African religious culture the incarnational spirituality of those cultures remains vibrant and visible today and has much to offer and teach other cultures both Christian and not
