Ghost Guns Mark A. Tallman, 2020-08-13 With thorough analysis and balanced reporting Ghost Guns Hobbyists Hackers and the Homemade Weapons Revolution is an essential resource for readers seeking to understand the rise of homemade firearms and future options for managing them For more than a century strict gun control was possible because firearms were produced in centralized industrial factories Today the Fourth Industrial Revolution combining old and new technologies threatens to upend this arrangement An increasing number of hobbyists makers technology provocateurs and sophisticated criminals are proving that you don't need a factory to make guns anymore The security challenges of this transformation are increasingly apparent but the technologies behind it hold tremendous potential and while ignoring the security implications would entail risks the costs of new policies also must be evaluated Do it yourself or DIY weapons will bring significant ramifications for First and Second Amendment law international and homeland security crime control technology privacy innovation and the character of open source culture itself How can a liberal society adjust to technologies that make it easier to produce weapons and contraband Informative and thought provoking Ghost Guns Hobbyists Hackers and the Homemade Weapons Revolution carefully analyzes the technical legal social political and criminological trends behind this challenging new area of illicit weapons activity

The Writer's Guide to Weapons Benjamin Sobiech, 2015-07-09 When it comes to writing weapons most authors shoot from the hip and miss The Writer's Guide to Weapons will help you hit your target every time Firearms and knives have starring roles in a wide range of genres crime thriller war mystery Western and more Unfortunately many depictions of weapons in novels and film are pure fiction Knowing the difference between a shotshell and a slug a pistol and a revolver or a switchblade and a butterfly knife is essential for imbuing your story with authenticity and gaining popularity with discerning readers Inside you'll find An in depth look at the basics of firearms and knives how they work why they work what they look like and how to depict them accurately in your stories The biggest weapons myths in fiction TV and film A surefire guide for choosing the correct weapon for your characters no matter their skill level strength or background A review of major gun and knife laws weapons safety tips and common police tactics The Hit List showcasing the most popular weapons for spies detectives gunslingers gangsters military characters and more Examples highlighting inaccurate vs accurate weapons depictions An insightful foreword by David Morrell the award winning creator of Rambo Equal parts accessible humorous and practical The Writer's Guide to Weapons is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional

Unabomber Chris Waits, Dave Shors, 2014-05-27 When the Unabomber suspect was arrested at a cabin outside Lincoln Montana in 1996 no one was more surprised than his neighbor of 25 years Chris Waits Now Waits whom ABC News described as the man who knew him best has stepped forward with his significant portrait of Kaczynski He teamed with veteran Montana newsman Dave Shors to write a riveting story about the secret years in Lincoln Waits was the only person who could tell this story which includes a compelling mix of

personal observations Waits shares copies of Kaczynski documents and personal journals obtained from the FBI most of which have never been published before

Captain Pete Peter S. Clarke, 2018-01-15

Peter Silverlos Livingston was born before World War II and would be considered a traditionalist in today s jargon There is an old saying You can take the kid out of Brooklyn but you can t take Brooklyn out of the kid As a young kid growing up in Brooklyn New York Peter had the opportunity of being involved in many activities as a young boy Brooklyn was the most populated of the five boroughs of New York City with over 3 million people of mostly European extraction including many other ethnic races from all over the world during World War II New York City was and still is the biggest city in the country There were more combat troops from Brooklyn than any other area in the country Over three thousand died in World War II The average age of those who fought and died in WWII was 26 years old Believe It or not the average age of those who fought and died in Vietnam was 19 years old Also Marine casualties in Viet Nam totaled over 13 thousand The Viet Nam war was one of the longest U S conflicts to date totaling ten years from 1965 to 1975 but the U S had advisors there for a number of years even before 1965 Over 58 000 U S troops died in Viet Nam and some are still Missing In Action MIA s like the great track and field star Cliff Cushman He was from the University of Kansas and was a silver medalist in the Olympics and a track buddy of Pete s He flew an Air Force jet when he went missing The Viet Nam Veterans Memorial wall in Washington D C is a long black slab marble wall dedicated to all the fallen warriors and those that served and fought in Viet Nam including those who are still MIA Each of the soldiers names are inscribed on it in chronological order based on the date they died and served This honor has been bestowed on all these veterans who courageously fought in the Viet Nam war conflict as remembered by the United States which dedicated the building of this wall in their honor The monument s importance and

significance is a symbol for all peoples in the United States and future generations to remember the sacrifice these veterans undertook regarding this conflict

Spitz and Fisher's Medicolegal Investigation of Death Werner U. Spitz, Francisco J. Diaz, 2020-07-20 This is not just a new edition but a different book emphasizing trauma and wound analysis The addition of a new co editor Dr Francisco J Diaz has brought new ideas to this fifth edition A chapter by Doctor Jan Leetsma world renowned neuropathologist has also been included Doctor Leetsma s vast experience in forensic neuropathology will certainly enhance this book Several chapters have been eliminated that are no longer applicable or which are adequately covered in other publications Over time in the past 48 years since this book was first published Medicolegal Investigation of Death has been dubbed the Bible of Forensic Pathology The fifth edition includes over 600 case reports and hundreds of color photographs The cases are from files the authors have personally handled According to author Spitz We have found many times analysis of small wounds will lead to understanding of a giant case like the case in Hawaii where a body was found under a full size van with a thread mark on the cheek consistent with having been hit with a black pipe used for gas lines that were found in a bucket in the rear of the van As it turned out this was a murder not an accident The book is full of such cases This book will help you understand the details of injuries and how a person was injured and how they died and how these injuries perhaps at first blush possibly seemingly insignificant can shed new light on a case Medicolegal Investigation of Death now embraces not just basic forensic pathology but also includes death during restraint conscious pain and suffering and new concepts related to the interpretation of injuries by detailed wound analysis The continued use of simple non technical terminology makes this book a truly unique treatise and source of information
