Character Limit Kate Conger, Ryan Mac, 2024-09-17 Named a Best Book of the Year by Kirkus Reviews Riveting Character Limit offers a telling lesson in the cost of getting everything you want The Washington Post You couldn't hope for a better ringside seat on the unfolding drama Character Limit is a triumph The Guardian Masterful in how it paints a picture and puts you in the room with the famous entrepreneur Character Limit is a page turner Forbes Rising star New York Times technology reporters Kate Conger and Ryan Mac tell for the first time the full and shocking inside story of Elon Musk's unprecedented takeover of Twitter and the forty four billion dollar deal's seismic political social and financial fallout The billionaire entrepreneur and Tesla CEO Elon Musk has become inextricable from the social media platform that until 2023 was known as Twitter Started in the mid 2000s as a playful microblogging platform Twitter quickly became a vital nexus of global politics culture and media where the retweet button could instantly catapult any idea to hundreds of millions of screens around the world unleashing raw collective emotion like nothing else before While its founder had idealistically dreamed of building a digital town square he detested Wall Street and never focused on building a profitable business Musk joined the platform in 2010 and by 2022 had become one of the site's most influential users hooking over 80 million followers with a mix of provocations promotion of his companies and attacks on his enemies To Musk

Twitter once known for its almost absolute commitment to free speech had badly lost its way He blamed it for the proliferation of what he called the woke mind virus and claimed that the survival of democracy and the human race itself depended on the future of the site In January of 2022 Musk began secretly accumulating Twitter stock By April he was its largest shareholder and soon after made an unsolicited offer to purchase the company for the unimaginable sum of 44 billion dollars Backed into a corner Twitter's board accepted his offer but Musk quickly changed his mind forcing Twitter to sue him to close the deal in October The richest man on earth controlled one of the most powerful media platforms in the world but at what price Before long Twitter would be gone for good replaced by something radically different as Musk remade the company in his own image from the ground up The story of the showdown between Musk and Twitter and his eventual takeover of the company is unlike anything in business or media that has come before In vivid cinematic detail Conger and Mac follow the inner workings of the company as Musk lays siege to it first from the outside as one of its most vocal users and then finally from within as a contentious and mercurial leader Musk has shared some of his version of events but Conger and Mac have uncovered the full story through exclusive interviews unreported documents and internal recordings at Twitter following the billionaire's takeover With unparalleled sources from within and around the company they provide a revelatory three dimensional and definitive account of what really happened when Musk showed up spoiling for a brawl and intent on revolution with his merciless sycophantic cadre of lawyers investors and bankers This is the defining story of our time told with uncommon style and peerless rigor In a world of viral ideas and emotion who gets to control the narrative who gets to be heard and what does power really cost

safe and come out of hiding This is our story *Zombie Reign 2: Rescue in Detroit (B&W VERSION)* Joseph Edward,2013-03-16 My name is Scott Griffin Griff for short I used to be a suburban Detroit police officer When I refer to my profession in the past tense it isn't because I stopped being a cop It wasn't the economy that took my life's love and profession from me although I would have preferred it that way I used to be a husband to a wonderful and beautiful wife with a house in the suburbs All of that was lost collateral damage to the indiscriminate evils of the virus No one knows exactly where this virus started but no one has been immune from its overwhelming destruction The virus assimilates the living and mutates them into the walking dead creating zombies who only have one purpose and that's to hunt and feast on warm human flesh I am continuing my journal to document how we are surviving day by day I want to make sure that mistakes we make along the way aren't repeated while at the same time I hope to pass some of our survival techniques along What seems common sense at one moment may become a monumental error the next with people paying the price with their lives I lost my best friend and partner Bobby I have lost my loving wife Kate and our unborn child I am now a man with nothing else to lose but my own life which I refuse to forfeit in order to help rescue those loved ones who may still have a fighting chance of survival Hopefully we will find more survivors and secure a place somewhere that we can feel somewhat safe and come out of hiding This is our story **Zombie Reign** Joseph Edward,2013-02-16 Like on Facebook **Zombie Reign** My name is Scott Griffin I go by Griff and used to be your typical suburban cop I loved camping walks on the beach videogames and my sign is Capricorn My sign is still Capricorn but the rest of those were put in past tense for a reason Why I thought it a good idea to sit down and write all this is beyond me I alternate between thawing out my freezing digits by blowing a warm breath of life back into them and stretching my entire hand out from writer's cramp Sure it's cold outside winter in Detroit always is The chill in my bones has much more to do with the stripping away of humanity from my soul and all that I have lost than the harsh December winter Huddling in the attic of a vacant home that no longer carries a mortgage or the family that had it built to raise their children I reminisce about the tough times of bank failures and government bailouts Those were the good old days You see there was a time when journalists would refer to Detroit as dying It's making a comeback lately the dead are literally coming back to life People aren't exactly dying to move here it's more like they die and stay I think that I just want to write a survival journal Not the type where the next generation is preached to about never making the mistakes in the past but how to simply live and survive today Speaking of which that moan and scraping on the access door needs my attention This e book is a preview into the world of Griff and his survival in the world of the living dead The **Zombie Reign** series will span several novels as he and his companions attempt to survive in this ever challenging world turned upside down This is an introduction novel into Griff's world and the prequel of the many adventures to come New York ,2007 *McCall's* ,1979-10 Time Out Film Guide ,2003 **The Times Index** ,2013-06 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher
