

Act III

1. Why did Iago want Rodrigo to anger Cassio?

Iago told Rodrigo that if he can show Cassio as being undisciplined, he can cause "these Cyprines to mutiny" and have Cassio relieved of his duty. This will allow Rodrigo a better chance of getting Desdemona, since Othello and Desdemona will have to stay longer until a replacement for Cassio can be found.

2. What was the purpose of Iago's plot?

By encouraging and using Rodrigo, Iago will "put the Moor At least into a jealousy so strong that judgment cannot rule." Iago will ruin Othello's relationship with Desdemona as a means of revenge for Othello's promoting Cassio instead of himself (Iago).

3. Why did Iago want Cassio to drink more wine?

He wanted Cassio to be a little drunk and argumentative when Rodrigo would approach him later.

4. What lie did Iago tell Montano about Cassio?

He told Montano that Cassio was drunk every night. He also caused doubt as to Othello's judgment for appointing Cassio, who might be drunk as a result of rage.

5. Why did Othello strip Cassio of his rank?

Through Iago's crafty explanation of Cassio's fight with Rodrigo, Othello thought Cassio was irresponsible and dishonorable.

6. Why did Iago want Cassio to ask Desdemona for help in restoring Othello's faith in Cassio?

If Desdemona would take up Cassio's cause, it would appear as though she would favor him. That would advance Iago's plot to make Othello jealous beyond reason.

Study Guide For Othello Questions And Answer
