Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **A Body of Doctrinal Divinity** John Gill,2016-06-14 In this work John Gill argues for the existence and characteristics of the triune God These arguments are all given from a heavily Calvinist perspective but he uses a lot of scripture to back up his claims He also argues that the character of God is shown through his work on Earth by the elect and most importantly through Christ These characteristics then carry on in the final stages of life when human beings pass away and move on to heaven or hell *The University a Place of Slavery* George Hajjar Ph.D,2015-09-18 Over forty years ago I wrote a memo for the sixties The University A Place of Slavery in the heat of the battle I did not alter or revise the text so that the reader of the second decade of the twenty first century can capture the temper and the spirit of the exciting sixties The memo is self explanatory it is hubris and upheavals with a Sparticist touch and it includes the literature of the epoch with its divergent perspectives Moreover it embraces Rousseaus Emile in the age of Enlightenment the forerunner to the French Revolution and the education for liberation and the rediscovery of the humankind The appendix is indeed as illustrations for the contents of the memo and it adds what is relevant to the context I wrote in Besides some of the press reports under struggle I engaged in with the autocracies of the university system which I faced with its arrogance and futilitarian nonsense To the students and professors of this era I say it is time to revive the spirit of humanism and human integrity and to move the world from the kingdom of necessity to the kingdom of revolutionary change and to inscribe under the sun that never sets that freedom is our lodestar that teaches us to paint wings of freedom on our shackles Finally I am deeply indebted to Elias Bacas in helping me have this book published *People, Pigs, and Principalities* Don Dickerman,2014-05-06 Angels and demons are

operating all around you Whether you believe it or not Whether you can see them or not In fact the Bible tells us there is a battle going on Demonic powers are at war against God s children opposing the work of God Angels as part of their creative purpose minister for God s people They are on our side In *People Pigs and Principalities* Don Dickerman gives you insightful teachings and testimonies about this spirit realm and how it intersects with your everyday life With powerful true stories including the inspirational story of his youngest son s contact with angels at the age of seven Dickerman combines the miraculous events in his own life with support from scripture to empower you to successfully comprehend the spirit world and win your spiritual battles Whether you realize it or not every day you are involved in the activity of angels demons and the spirit realm The true stories in this book will amaze and inspire you to explore God s supernatural world for yourself
