Teachers will want to use this book in their classrooms with their students as part of the school's anti-bullying curriculum. As an added bonus, the activities reinforce English, language arts, social studies, and health education curricular goals. Counselors, therapists, and school administrators can also use the activities in large and small group instruction. Additionally, leaders of after-school programs and youth leadership programs such as scouting, dramatics classes, and religious education classes will find the activities helpful in addressing their bully prevention programs. Each activity contains a description, goals for children, and helpful hints for adults to guide their youngsters through the program. *Relationships and Development*, W. W. Hartup, Z.
