A Life in Short Stories Skip Johnson, 2024-12-20. This little book is a series of personal vignettes by award-winning author/journalist Skip Johnson that are just plain down fun to read, like how his fiancée introduced him to her best friend whom a year later he married, or how he joined a venerable local charity's board and two months later found himself president and only member of the board, a board that was 50,000 in debt with no idea how to pay it, and it was up to him and him alone to fix things, or how he very accidentally single-handedly captured an armed and dangerous bank robber, or how some very bad decisions early in his life led him into a thirty-year career as a newspaper reporter, columnist, and editor. Some of these stories are light, some are serious, some are tear-jerkers, some are important, and some are just intriguing. Some deal with events related to his life as a journalist, and others with family and other facets of life.

But all of them you will agree are readable But once you read them beware They very well may make you want to write your own book of personal vignettes and you probably should Don't you wish your grandparents had A Companion to the British and Irish Short Story David Malcolm, Cheryl Alexander Malcolm, 2009-01-30 A Companion to the British and Irish Short Story provides a comprehensive treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women's writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain
