Immigrants walk off the ship and
onto Ellis Island

The First Immigrant Landed on Ellis Island January 1, 1892

When 15-year-old Annie Moore arrived here from Ireland on this day in 1892, she was the first person to enter the United States through Ellis Island. As the boat she was on drew closer to her new home, she must have seen the Statue of Liberty, whose torch rises 305 feet above the waters of the New York Harbor. The statue is on an island next to Ellis Island. Can you guess how many people entered the United States through Ellis Island?

Kates,Warren Tormey,2012-11-14 This collection of fresh essays examines the intersection of baseball and social class pointing to the conclusion that America s game infused from its origins with a democratic mythos and founded on high minded principles of meritocracy is nonetheless fraught with problematic class contradictions Each essayist has explored how class standing has influenced some aspect of the game as experienced by those who play it those who watch it those who write about it and those who market it The topic of class is an amorphous one and in tying it to baseball the contributors have considered matters of race education locality integration assimilation and cultural standing These elements are crucial to understanding how baseball creates preserves reinforces and occasionally assails class divisions among those who watch play and own the game **Twentieth Century Fiction** George Woodcock,1983-04-01 *Encyclopedia of Modern Jewish Culture* Glenda Abramson,2004-03-01 The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout Experts from all over the world contribute entries ranging from 200 to 1000 words broadly covering the humanities arts social sciences sport and popular culture and 5000 word essays contextualize the shorter entries and provide overviews to aspects of culture in the Jewish world Ideal for student and general readers the articles and biographies have been written by scholars and academics musicians artists and writers and the book now contains up to date bibliographies suggestions for further reading comprehensive cross referencing and a full index This is a resource no student of Jewish history will want to go without **The Milk of Almonds** Edvige Giunta,Louise DeSalvo,2017-03-15 A vast thoroughly wonderful assortment of poetry memoirs and stories that defines today s female Italian American experience Publishers Weekly Often stereotyped as nurturing others through food Italian American women have often struggled against this simplistic image to express the realities of their lives In this unique collection over 50 Italian American female writers speak in voices that are loud boisterous sweet savvy and often subversively funny Drawing on personal and cultural memories rooted in experiences of food they dissolve conventional images replacing them with a sumptuous communal feast of poetry stories and memoir This collection also delves into unexpected sometimes shocking terrain as these courageous authors bear witness to aspects of the

Italian American experience that normally go unspoken mental illness family violence incest drug addiction AIDS and environmental degradation As provocative as it is appetizing this collection of verse and prose pieces reveals the evocative and provocative power of food as event and as symbol as well as the diversity of these women s lives and their ambivalence regarding the role of nurturer Library Journal *A Shrinking Island* Joshua Esty, 2009-01-10 This book describes a major literary culture caught in the act of becoming minor In 1939 Virginia Woolf wrote in her diary Civilisation has shrunk Her words captured not only the onset of World War II but also a longer term reversal of national fortune The first comprehensive account of modernism and imperialism in England *A Shrinking Island* tracks the joint eclipse of modernist aesthetics and British power from the literary experiments of the 1930s through the rise of cultural studies in the 1950s Jed Esty explores the effects of declining empire on modernist form and on the very meaning of Englishness He ranges from canonical figures T S Eliot and Virginia Woolf to influential midcentury intellectuals J M Keynes and J R R Tolkien from cultural studies pioneers Raymond Williams and E P Thompson to postwar migrant writers George Lamming and Doris Lessing Focusing on writing that converts the potential energy of the contracting British state into the language of insular integrity he argues that an anthropological ethos of cultural holism came home to roost in late imperial England Esty s interpretation challenges popular myths about the death of English literature It portrays the survivors of the modernist generation not as aesthetic dinosaurs but as participants in the transition from empire to welfare state from metropolitan art to national culture Mixing literary criticism with postcolonial theory his account of London modernism s end stages and after lives provides a fresh take on major works while redrawing the lines between modernism and postmodernism
