

Poem about Football

By Maya Anthony

In fields and streets, the ball rolls free,
Uniting hearts in jubilee.
Under the sun or stadium lights,
Football's joy ignites the nights.

Players dash, and crowds roar,
In this game, spirits soar.
Passes, goals, and dreams take flight,
Football's dance, a pure delight.

Through wins and losses, we come to see,
Football's more than a victory spree.
A bond of nations, far and wide,
In football, we all take pride.

Short Poems About Football That Rhyme:

Rhyme Of The Modern Mariner Kaushik Ganguli,2023-07-06 The Book is an anthology of 52 poems The title Rhyme of the Modern Mariner is a takeoff from ST Coleridge s epic poem Rhyme of the Ancient Mariner which was first written and released in 1797 98 to critical acclaim It is considered a shift to modern English Literature and remains a key work of poetry Like Rhyme of the Century the book contains 3 sections Places People and Thoughts The places have mostly been visited by the author and the people are all real with fictitious names Thoughts are emotions felt by the author at various times more so after his training as a qualified personal counsellor The book is thus structured in a manner so that the reader reads one poem a week absorbs the contents and is made to think about the topic This way reading the complete book would take one full year 12 poems out of 52 are about football The author is a keen fan of football and is a supporter of Mohun Bagan Athletic Club Kolkata and the German National Football team The poems are tributes to both the entities It would be worthwhile to know that Mohun Bagan Athletic Club is known as Mariners and the emblem of the club is a boat The cover page of the book is thus a Norse longship with the Mohun Bagan flag and the German National Football team flag denoted by the eagle *Poems and Prose, with a Short Autobiography, Also Anecdotes of and Personal Interviews with the Late Rev.*

literature across South America Beginning with the first football poem published in 1899 it surveys a range of texts that address key issues in the region s social and political history Drawing on a substantial corpus of short stories novels and poems each chapter considers the shifting relationship between football and literature in South America across more than a century of writing The way in which authors combine football and literature to challenge the dominant narratives of their time suggests that this sport can be seen as a recurring theme through which matters of identity nationhood race gender violence politics and aesthetics are played out This book is fascinating reading for any student scholar or serious fan of football as well as for all those interested in the relationship between sports history literature and society **Chicorel**
