greatest humorist the United States has produced and William Faulkner called him the father of American literature His novels include *The Adventures of Tom Sawyer* 1876 and its sequel *The Adventures of Huckleberry Finn* 1884 the latter often called *The Great American Novel* Twain was raised in Hannibal Missouri which later provided the setting for *Tom Sawyer* and *Huckleberry Finn* He served an apprenticeship with a printer and then worked as a typesetter contributing articles to the newspaper of his older brother Orion Clemens He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada He referred humorously to his lack of success at mining turning to journalism for the *Virginia City Territorial Enterprise* 5 His humorous story *The Celebrated Jumping Frog of Calaveras County* was published in 1865 based on a story that he heard at Angels Hotel in Angels Camp California where he had spent some time as a miner The short story brought international attention and was even translated into French 6 His wit and satire in prose and in speech earned praise from critics and peers and he was a friend to presidents artists industrialists and European royalty Twain earned a great deal of money from his writings and lectures but he invested in ventures that lost most of it such as the Paige Compositor a mechanical typesetter that failed because of its complexity and imprecision He filed for bankruptcy in the wake of these financial setbacks but in time overcame his financial troubles with the help of Henry Huttleston Rogers He eventually paid all his creditors in full even though his bankruptcy relieved him of having to do so Twain was born shortly after an appearance of Halley's Comet and he predicted that he would go out with it as well he died the day after the comet made its closest approach to the Earth This Collection included TOM SAWYER SERIES *The Adventures of Huckleberry Finn* *The Adventures of Tom Sawyer* *Tom Sawyer Abroad* *Tom Sawyer Detective* *A Tramp Abroad* ALONZO FITZ AND OTHER STORIES AUTOBIOGRAPHIES LETTERS ESSAYS AND NOVELS *A Connecticut Yankee in King Arthur's Court* *In Defense of Harriet Shelley* *A Double Barrelled Detective Story* *Editorial Wild Oats* *Essays on Paul Bourget* *Eve's Diary* *Extract From Adam's Diary* *Extract from Captain Stormfield's Visit to Heaven* *Extracts From Adam's Diary* *The Facts Concerning the Recent Carnival of Crime in Connecticut* *Fenimore Cooper's Literary Offences* *Following the Equator* *a Journey around the World* *The Gilded Age* *Goldsmith's Friend* *Abroad Again* *A Horse's Tale* *How to Tell a Story* and Other Essays *The Innocents Abroad* *Is Shakespeare Dead* *From my Autobiography* *Life on the Mississippi* BIOGRAPHIC ESSAYS *A Short Treatise on the Virgin Mary* Rene Laurentin, 2022-08-26 As a peritus at Vatican II and by the end of his life arguably the world's leading Mariologist Ren Laurentin has earned the privilege of republication of a work of considerable value for any theologian who aims for comprehensiveness of Catholic theological perspective historically and systematically Laurentin's orthodox yet highly original treatment displays his command of all of the relevant biblical patristic medieval and modern texts up to and including the entire proceedings of the Second Vatican Council as well as the whole range of related historical and theological scholarship His proposal to pursue Mariological speculation along two tracks first from above following the course of doctrinal development from biblical revelation to the VCII era and second from below considering Mary's own life

walking in her footsteps as it were from before the Annunciation to the Parousia provides a clear accessible structure for the work yielding rich theological and spiritual fruit Not only are all the major Marian doctrines and their developments handled with the greatest sensitivity from the Virgin birth to the modern promulgations of Immaculate Conception and Assumption but Laurentin s approach in his second part opens the way to a human psychological treatment of motherhood still solidly bolstered by traditional Christian anthropology Regarding Mary s status as Mother of God Laurentin s discussion of the Theotokos exhibits his deep ecumenical commitments as much as his specific attention to Mary s soteriological role as a sticking point for Protestantism One of the most striking qualities of the work is Laurentin s deft integration of his evident scholastic formation into an overarching vision thoroughly at ease with the phenomenological personalist and existential currents in which he also inevitably swam throughout his education and professional scholarly occupation As a result the work can be read and appreciated instinctively as it were as much by the eclectic contemporary theologian influenced by the likes of Heidegger et al as by the Thomist

'SARASWAT',2022-04-14 The Short Stories of this book titled The Innocent Steps are the defining form of those fantastical moments of life which I felt in one way or the other These stories related to childhood show those aspects of life when the mind like a free bird remains eager to fly high in the open sky The playfulness of innocent children their naughtiness and their unexpected behaviour though look as high spirited yet there is no deformed mentality behind it but there is pure innocent and emotions free activity Something like such moments I have included in my stories
