Industrial Sheffield and Rotherham R. T. Wilson, E. J. Twigg, 1919 *Evolutionary Bioinformatics* Donald R. Forsdyke, 2010-11-11 Books on bioinformatics which began appearing in the mid 80s primarily served gene hunters and biologists who wished to construct family trees showing tidy lines of descent Given the great pharmaceutical industry interest in genes this trend has continued in most subsequent texts These deal extensively with the exciting topic of gene discovery and searching databases but hardly consider genomes as information channels through which multiple forms and levels of information including genic information have passed through the generations **The Musical Times** ,1908

Anime and Manga , **E.S.P. Extra Sensory Perception** Joseph Banks Rhine, 2012-07-10 This is the original account of the basic experiments in parapsychology at Duke University out of which came the phrase extra sensory perception that now appears in all dictionaries We originally published it in association with the Boston Society for Psychic Research but it has been out of print for some years The Foreword by William McDougall author of *Introduction to Social Psychology* and the Introduction by Walter Franklin Prince who was Research Officer for the Boston Society for Psychic Research as well as all the illustrations have been retained but Dr Rhine has brought the book up to date and written a new Introduction especially for this edition The book remains as Waldemar Kaempffert said originally in the *New York Times* A report that gives an account of the most important study ever made in what is known as telepathy mindreading and clairvoyance *Exploring the Old Testament* Philip E. Satterthwaite, J. Gordon McConville, 2012-01-06 Philip E Satterthwaite and J Gordon McConville introduce the content and the context of the historical books their setting in ancient history and history writing their literary artistry their role within the Scriptures of Israel and their lasting value as theological and ethical resources **The Making of Sheffield** Melvyn Jones, 2004-09-30 Covering thousands of years and a multitude of topics the book tells the story of the development from a group of small agricultural settlements into a town and then a modern city It covers success disappointments miserable periods and glorious episodes that have marked the city's evolution *The Song of Solomon in the Sheffield Dialect. From the Authorised English Version. By Abel Bywater* ,1859 *Autobiography of Edward Gibbon as Originally Edited by Lord Sheffield* Edward Gibbon, 1907 **The Shostakovich Wars** , **Sacred Languages and Sacred Texts** John Sawyer, 2012-10-02 Sacred Languages and Sacred Texts is the first comprehensive study of the role of languages and texts in the religions of the Greco Roman world including Judaism and Christianity It explores bilingualism language learning literacy book production and translation as well as some of the more explicitly religious factors including beliefs about language missionary zeal ritual conservatism and the power of a priestly establishment Sacred Languages and Sacred Texts sheds new light on the role of the power of words spoken and written in religion *Researching Northern English* Raymond Hickey, 2015-12-15 Northern English has become the focus of intensive research in the past decade or so following on a series of dedicated conferences The present book brings together leading edge contributions on various aspects of

language use variation and change in the North of England The volume covers the history of English in this area as well as providing incisive studies of both the varieties of English spoken in cities and in larger parts of the area In addition the collection contains a number of interface studies e g concerned with the borders of the North of England both to Scotland and the South of England or dealing with second language varieties of Northern English or with additional issues such as enregisterment All these contributions help to draw a comprehensive picture of this key area of the English speaking world and point the way forward for future research

The Queer Bible Commentary, Second Edition Mona West, Robert Shore-Goss, 2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer

deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture

The Westminster Review, 1878 *The Oxford Guide to Literature in English Translation* Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Gender in Translation Sherry Simon, 1996 This is the first full length study of the feminist issues surrounding translation studies Students and

teachers of translation studies linguistics gender and women s studies will find this work invaluable and thought provoking

Marriage as a Covenant Gordon Paul Hugenberg, 2014-09-03 This book focuses on the interpretation of Malachi 2 10 16 which censures the lax marital practice of its contemporaries In particular Hugenberg investigates Malachi s identification of marriage as a covenant in response to recent scholarly challenges to this identification Taking the issues raised by Malachi as his point of departure Hugenberg examines the nature of covenant and oath including verba solemnia and oath signs and in light of these findings explores the theory of marriage implied elsewhere in the Old Testament Included in this investigation are an analysis of the concentric literary structure of Malachi and a study of the Old Testament s ethical perspectives on divorce polygamy and sexual fidelity An extensive bibliography and indices complete the book Marriage

as a Covenant Gordon Hugenberg, 2014-01-08 Marriage as a Covenant is part of the Biblical Studies Library which features North American paperback editions of original monographs of proven academic merit These works model sound exegesis and theology and make a significant contribution to biblical scholarship **Shuffling Nags, Lam Ducks** Laszlo

Bartosiewicz, Erika Gal, 2013-11-01 The analysis of animal bone assemblages from archaeological sites provides much valuable data concerning economic and husbandry practices in the past as well as insights into cultural and symbolic or ritual activity Animal palaeopathology can identify diseases in archaeozoological assemblages but little interest has been expressed in investigating and understanding the cultural aspects of the diseases identified Such assemblages represent the cumulative effects of human attitudes decisions and influences regarding the keeping care treatment neglect and exploitation of animals which result in a range of conditions non infectious diseases and injuries that can be recognised on ancient skeletal material Additionally ever since the domestication of a handful of animal species around 10 000 years ago close physical proximity has been a mutual source of infectious disease and traumatic injury for humans and animals alike Shuffling Nags Lam Ducks provides an invaluable guide to the investigation of trauma and disease in archaeozoological assemblages It provides a clear methodological approach and describes and explains the wide range of traumatic lesions infections diseases inherited disorders and other pathological changes and anomalies that can be identified In so doing it explores the impact that man made decisions have had on animals including special aspects of culture that may be reflected in the treatment of diseased or injured animals often incorporating powerful symbolic or religious roles and seeks to enhance our understanding of the relationship between man and beast in the past Chapters include History of studying pathological animal remains Differences between human and animal palaeopathology Methodology Growth development and ageing Traumatic lesions Inflammatory diseases and bone Pathological lesions in working animals Diseases connected to the environment
