Bhattacharjee,2025-09-05 You take such amazing photos Why don t you make your hobby your profession Alexia suggested sipping her coffee Sophie grinned taking it as a compliment I m serious You should really try it Alexia insisted smirking Maybe Sophie replied falling deep into thought Later that night while scrolling through her social media Alexia saw a post Hiring Professional Photographer for King s Anniversary Without wasting any time she filled in Sophie s name and contact details thinking she was helping her friend but without Sophie s consent The next day Sophie received an email from the Royal Family of the Blue Kingdom We are thrilled to hire you as the photographer for the King s Anniversary With a puzzled expression Sophie tried calling Alexia feeling both confused and angry Go for it honey You can do it Alexia encouraged her Reluctantly Sophie decided to accept the job despite being only a hobbyist photographer A few days later she arrived in the Blue Kingdom There her eyes met those of Prince Alan and she felt herself falling in love drawn in by his deep brown eyes

Similarly Prince Alan found himself inexplicably attracted to Sophie despite not knowing who she was He found reasons to be around her but was also afraid Would marrying someone outside of another monarchy spell disaster for the Blue Kingdom especially when Katherine already saw Alan as her prince Who would truly win the prince s heart Would love prevail or would duty And what consequences would arise from a little lie on a CV Maybe end up falling in love with a Prince **To Have and to Hold** Peggy Vaughan,2010-10-19 From the author of The Monogamy Myth an essential guide written specifically for married couples to strengthen their relationship and prevent affairs Based on Peggy Vaughans 30 years of work with married couples and the issue of affairs this new handbook challenges the assumption that monogamy can be taken for granted and provides the tools for building a strong marriage and preventing affairs Explaining the need to focus on preventing affairs before there is any threat to a marriage she draws on her survey of 755 people regarding their beliefs to present What Wont Work and What Will Work to prevent affairs Throughout To Have and to Hold Vaughan details specific strategies and techniques emphasizing that Relying on attitudes and beliefs is not sufficient to maintain a monogamous relationship over a lifetime Focusing on actions and behaviors is far more significant to strengthen a relationship Responsible honesty is the single most important factor in preventing affairs Everybody society as a whole plays a role in supporting couples efforts to maintain monogamy Parents have a special responsibility to break the pattern for future generations Four appendices present Vaughans survey questionnaire along with detailed breakdowns of responses **A Fool In Love** J. Jean Elliott,2007-11-07 Marina Frances had been in love with Jettson Frame from the moment she had lain eyes on him eleven years earlier But Jettson had never noticed for drooling all over Flame who had noticed him for the same length of time it took her to dump him and marry another man Then Jettson had moved out of the state and Marina hadn t seen nor heard of him in six years Plus she had gotten on with her life to the point of becoming engaged to marry her attorney boyfriend of a year and a half and the marriage was six weeks away Now Jettson was back in her life busily chasing after her divorced Cousin Flame while trying to foist her off onto his nerdy Cousin Berry all just like old times How was Marina supposed to cope with her imminent marriage knowing she was still in love with Jettson a man who didn t know she was alive in that way and a man who could never seem to get her name straight Nervously Marina marched down the aisle on her father s arm Monday evening after her succession of bridesmaids Her mother had been seated at the front of the church by one of Harvey s groomsmen an impatient look on her face as if the wedding wouldn t take place fast enough for her Harvey s parents had been seated across the aisle from her Harland Jr and Amy Lennox looking on at her entrance with interest But Marina barely took note of any of them as her gaze fixed on her fianc as he stood tall and proud before the Reverend Ansley with Ty Wallerstein officiating as his best man It was only a wedding rehearsal and Marina was a total mess her heart thudding in her chest like a jackhammer Harvey was a good man her mother had been right about that and he loved her very much Marina would be a fool not to marry him in light of his newfound status at his law firm By the same token how could she possibly

marry him knowing she was in love with another man What guarantee did she have that she would learn to love him after they were married when it didn't work for her Aunt Nadine three times And how did Marina know that Harvey wouldn't be able to detect by her marital frigidity that she didn't love him in the true sense of the word She should be telling Harvey right now that she could not marry him because she was not in love with him But by the same token she wanted to marry him because she would be a fool to let a great catch like him go She was torn wanting him but for all the wrong reasons Marina fought to get a grip on herself as she and her father neared the altar Perhaps if she recalled the playful banter that had taken place between her and her bridesmaids out in the lobby before the rehearsal had started Simone joking about how eldest son Drancy had gotten in a fight with a neighboring child that day and how Azar had beat his behind when he'd arrived home that evening Gale telling her something about Darnell having returned home from his weekend business and their plans to get together later on that evening Shawna telling her something about being voted employee of the month at one of her jobs And Flame laughing about how Jettson had taken her to Six Flags Over Georgia for the day on Sunday and how she had gotten him to spend all of his money on her So what else was new Yet as her mind lingered on thoughts of him Marina had to fight the urge to scream JETTSON FRAME He was the cause of all of her problems the cause of all of her doubts concerning Harvey Marina just did manage to pull herself together as her father deposited her at Harvey's side She forced warmth to her expression as she met the expectant look he turned on her And at this point I will say Who gives this woman to be with this man And you will say the Reverend Ansley prompted her father I do answered Orin Francis And then you will give your daughter to Harvey and turn
