To Serapion On The Holy Spirit:

To Serapion on the Holy Spirit Saint Athanasius (Patriarch of Alexandria), Saint Serapion (of Thmuis), 2014-03-23 This book includes letters to Serapion on the Holy Spirit from Saint Athanasius Enjoy *Works on the Spirit*, 2011 In the second half of the fourth century the mystery of the Holy Spirit was the subject of fierce debate Those who fought against the Nicene Creed opposed the idea that the Spirit was God Even some of those willing to accept the equality of the Father and the Son saw the Spirit as more angelic than divine The first great testament to the Spirit's divinity showing how the Spirit creates and saves inseparably with the Father and the Son is St Athanasius Letters to Serapion Only a few years later Didymus the Blind penned his own *On the Holy Spirit* which is here translated into English for the first time For Didymus the Spirit transforms Christians by drawing them into the divine life itself and must therefore be one with the Father and Son This volume offers new translations of two of the most powerful Patristic reflections on the work and nature of the Holy Spirit

To Serapion on the Holy Spirit Athanasius, 2014-11-14 *Athanasius and the Holy Spirit* Kevin Douglas Hill, 2016-12-01 Athanasius was one of the first writers to argue for the Holy Spirit's divinity and the majority of his seven dozen works include at least one reference to the Holy Spirit Yet Athanasius is mainly remembered for his Christological writings and role in the so called Arian controversy Only a limited number of studies have looked at his pneumatology and these studies have usually focused on Athanasius's Letters to Serapion on the Holy Spirit ca 359-361 leaving a gap in our understanding of Athanasius's prior pneumatology By exploring the period from Athanasius's election as bishop 328 to the completion of the third Oration against the Arians ca 345 this book seeks to help fill this gap The first part argues that by the mid 330s Athanasius had begun to establish core pneumatological perspectives that he would maintain for the rest of his career Part two examines Athanasius's three Orations giving particular attention to Orations 1-2 Without the pneumatological perspectives that he established in the 330s and 340s Athanasius would not have been prepared for his Letters to Serapion where he took the next steps of confessing the Holy Spirit's divine nature and role in creating the world

The Holy Spirit -- In Biblical Teaching, Through the Centuries, and Today Anthony C. Thiselton, 2013-06 The book is divided into three parts Part One provides a thematic analysis and exegetical commentary on all the relevant biblical and cognate literature including Josephus Philo and the Mishnah Part Two investigates the thinking of key Christian theologians on the Holy Spirit from the Apostolic Fathers to eighteenth century authors such as John Wesley and Jonathan Edwards Part Three examines more recent writings on the Spirit from the nineteenth century onwards including major systematic theologians such as Schleiermacher Barth and Moltmann as well as biblical scholars such as James D G Dunn Gordon Fee and Gerd Theissen Thiselton concludes the entire study by identifying seven fundamental themes and calling for greater dialogue between mainstream scholarship and contemporary leaders of the Pentecostal and Renewal movements **We Believe in the Holy Spirit** Joel C. Elowsky, 2009-07-13 This volume offers patristic comment on the first half of the third

article of the Nicene Creed Readers will gain insight into the history and substance of what the early church believed about the Holy Spirit and his work

The Holy Spirit as Person and Power Rob Yule, 2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by a transforming experience of the Holy Spirit He has been a hands on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical theology he has produced a book with ecumenical implications for all branches of world Christianity

Athanasius Khaled Anatolios, 2004 Athanasius provides a comprehensive and concise introduction to the theological vision of Athanasius relating the various aspects of his doctrine to a central emphasis on divine condescension

The Holy Spirit Eugene F. Rogers, Jr., 2009-05-11 Beginning with the Church Fathers and moving right through to the present day The Holy Spirit offers a theologically informed international collection

of the most important texts relating to Christians understanding of the Holy Spirit A new volume of texts and readings offering a chronologically organized selection of the most important and interesting writings on the Holy Spirit Considers how the Holy Spirit has always been an integral part of both Christian belief and systematic theology from the Church Fathers through to the present day Each set of readings is prefaced by an introduction from the editor drawing out the main themes and important historical points and linking the readings to what has gone before Tackles the disagreements over the role of the Holy Spirit within the Trinity and how it was a contributing factor in the split between the Western and Eastern Church Opens with a newly commissioned essay describing the importance of the Holy Spirit in the theology of the last one hundred years and in particular in relation to the revival of Trinitarian theology *The Doctrine of the Holy Spirit* Jacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha **A Shorter Guide to the Holy Spirit** Anthony C. Thiselton, 2016-05-14 Anthony Thiselton s scholarly book *The Holy Spirit In Biblical Teaching through the Centuries* and Today was published to wide acclaim in 2013 and received a 2014 Christianity Today Book Award This shorter volume makes Thiselton s vast biblical theological knowledge and brilliant insight more accessible to more readers **The Holy Spirit** J. Patout Burns, Father Gerald M. Fagin, 2002-09-23 **On the Early History of the Doctrine of the Holy Spirit** Henry Barclay Swete, 1873 **The Holy Spirit** Veli-Matti Kärkkäinen, 2012-10-25 This volume in the Basic Guides to Christian Theology series presents a compact discussion of the Holy Spirit in Christian theology Written by a leading expert on this doctrine it begins with biblical perspectives on the Holy Spirit and moves on to describe how the Spirit was understood through the major periods in the history of Christian thought from the early church to the present It is global in approach and considers contributions from theologians throughout the world This brief volume provides an excellent overview of how the

Holy Spirit has been and is currently understood in Christian theology *The Letters of Saint Athanasius Concerning the Holy Spirit* Athanasius (Alexandrinus, Heiliger),1951 The post Nicean correspondence of Athanasius to Serapion ca mid late 4th century seeks in part to answer the Tropic heresy that claimed the Holy Spirit was a creature and more broadly to clarify the doctrine of the Holy Spirit within the Trinitarian context of the Nicean creed Illumination in Basil of Caesarea's Doctrine of the Holy Spirit Timothy P. McConnell,2014-06-02 Although Basil of Caesarea was the first to write a discourse on the Holy Spirit many scholars have since questioned if he fully believed in the Spirit's divinity Timothy P McConnell argues that Basil did regard the Spirit as fully divine and an equal Person of the Trinity However Basil refused to use philosophical terminology to make the point preferring to use what the Spirit revealed through divine act and Scripture Thus illumination becomes the primary paradigm for Basil which later theologians would come to call revelation setting the stage for this study's high relevance for contemporary thought *The Holy Spirit and an Evolving Church* Coriden, James A. ,2018 The history of a church that has changed can change and will change with the grace of God's Spirit always guiding it inspiring it keeping it The Book on the Holy Spirit, Written to Amphilochius, Bishop of Iconium, Against the Pneumatomachi.
