responsibility Paskevskas outlines the proper sequence for training in ballet based on a child's physical and mental development. Written in a clear and accessible style and full of anecdotes from Paskevskas long professional dance-related career, *Getting Started in Ballet* offers helpful information on types of dance schools and how to select the right school for your child. Included is valuable information on choosing a dance instructor, the role both parents and teachers should play in a child's learning experience, and the qualities the ideal teacher should possess. Also discussed are more practical matters such as the appropriate clothing to wear while practicing, the importance of shoes that fit properly, how to secure pointe shoes, tips for avoiding injury, and how to balance training and performing experience during the formative years. A special chapter covers proper diet, eating disorders, and ways to recognize symptoms of imbalance. Finally, Paskevskas touches upon the professional world of dance, attending college as a dance major, and advice on choosing careers that benefit from a background in dance. With forewords by Violette Verdy, a preeminent ballerina affiliated with the New York City Ballet and the Paris Opera Ballet, and Sybil Shearer, a pioneer of American modern dance, as well as an extensive appendix of performing arts schools and dance programs throughout the United States, *Getting Started in Ballet* gives parents the advice they need to make their child's dance experiences both enjoyable and constructive.
