

To Kill a Mockingbird
Chapters 26- 31 Reading Guide Answers

Chapter 26

1. Scout is growing up. Explain her feelings now about:
 - a. their former cruel games concerning Boo Radley

She now feels somewhat remorseful for their tormenting him.

- b. her remaining desire to see Boo in person

She still imagines that someday she'll meet him and they will speak to each other as if they've known each other for a long time.

- c. Atticus' apparent knowledge of their previous activities

Atticus reveals that he knows about their games all along.

- d. "Current Events"

It's a good idea, but Scout thinks it's not practical in Maycomb County since the children have few newspapers and little concept of what a current event was.

2. What is the irony of Miss Gates' lecture on democracy when compared to her comments at the trial?

Miss Gates says that we do not believe in persecuting anyone in America; she states persecution only comes from people who are prejudiced. After the trial Scout had heard Miss Gates say, "It's time somebody taught 'em (Negroes) a lesson." She is a hypocrite.

3. When Scout tries to tell Jem about Miss Gates, why does he react so violently? Explain Atticus' answer to her about this.

Jem was totally disillusioned by the outcome of the trial and is still trying to come to terms with what it showed him about people. He's still too angry and trying to sort things

You Can Do About It author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading in our schools. Readicide, Gallagher argues, that American schools are actively though unwittingly furthering the decline of reading. Specifically, he contends that the standard instructional practices used in most schools are killing reading by valuing standardized testing over the development of lifelong readers. Mandating breadth over depth in instruction. Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts. Ignoring the importance of developing recreational reading. Losing sight of authentic instruction in the looming shadow of political pressures. Readicide provides teachers, literacy coaches, and administrators with specific steps to reverse the downward spiral in reading that will help prevent the loss of another generation of readers.

To Kill a Mockingbird Donna Reardon, Harper Lee, Robert Anderson, 1998 This teaching guide includes focusing on the background of the novel, elements of the novel vocabulary, from the novel plot synopsis and literary focus, reading guide questions testing on the novel with answer key.

To Kill A Mockingbird (eBook) Marjorie Stelmach, 1990-09-01 This is an idea book. It was designed for you, the literature teacher, as a time saver that brings together key ideas, background information, and suggestions for teaching the novel successfully. Choose from the suggestions in the book to suit your style, adapt and expand on activities as they suit your students. Above all, this book is meant to be a tool to assist you in intensifying your students' involvement with the text and with the way literature helps to make sense of.

English Language Arts, Grade 8 Module 2

PCG Education, 2015-10-29 Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new

standards since their inception Blended learning experiences for teachers and leaders that enrich and extend the learning A train the trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches Paths offers schools and districts a unique approach to ensuring college and career readiness for all students providing state of the art curriculum and state of the art implementation **To Kill a Mockingbird, Harper Lee** Harper Lee, 2002 Plot overview Character list and analysis of major characters themes motifs and symbols summary and analysis

Earthkeeping and Character Steven Bouma-Prediger, 2019-11-19 Addressing a topic of growing and vital concern this book asks us to reconsider how we think about the natural world and our place in it Steven Bouma Prediger brings ecotheology into conversation with the emerging field of environmental virtue ethics exploring the character traits and virtues required for Christians to be responsible keepers of the earth and to flourish in the challenging decades to come He shows how virtue ethics can enrich Christian environmentalism helping readers think and act in ways that rightly value creation **Law and Society Today** Riaz Tejani, 2019-08-20 Law and Society Today is a problem oriented survey of

sociolegal studies with a unique emphasis on recent historical and political developments Whereas other texts focus heavily on criminal procedure this book foregrounds the significant changes of the 2000s and 2010s including neoliberalism migration multiculturalism and the large influence of law and economics in law teaching policy debates and judicial decision making Each chapter presents key concepts real world applications and hypothetical problems that allow students to test comprehension With an integrated approach to theory and practice and written in an accessible tone this text helps students recognize the dynamic forces that shape the way the law is constructed and implemented particularly how law drives social inequality Lawyers and the Rule of Law Andrew Boon, 2022-10-20 This book examines lawyers contributions to creating and maintaining the rule of law one of the pillars of a liberal democracy It moves from the European Enlightenment to the modern day exploring the role of judges government lawyers and private practitioners in creating defining and being defined by the demands of modern society The book is divided into 4 parts representing the big themes The first part considers lawyers contribution to the growth of constitutionalism the second the formulation of roles and identities and the third the formation of values The fourth part focuses on the challenges faced by lawyers and the rule of law in the past 50 years the neoliberal period and how they challenge both conceptions of lawyers and the rule of law Each part is illustrated by defining events from the execution of Charles I through the Nuremberg Trials to the insurrection by supporters of Donald Trump in January 2021 Although the focus is on England and Wales parallel developments in other jurisdictions Australia Canada New Zealand and the USA are considered This allows analysis of lawyers historical and contemporary engagement with the rule of law in jurisdictional systems based on the Common Law Each chapter is thematic but the passage through the book is broadly chronological
