Transnationalism and Translation in Modern Chinese, English, French and Japanese Literatures Ryan

Johnson,2020-12-15 The theory of literary worlds has become increasingly important in comparative and world literatures But how are the often contradictory elements of Eastern and Western literatures to cohere in the new worlds such contact creates Drawing on the latest work in philosophical logic and analytic Asian philosophy this monograph proposes a new model of literary worlds that is best suited to comparative literature dealing with Western and East Asian traditions Unlike much discussion of world literature anchored in North American traditions featured here is the transnational work of artists philosophers and poets writing in English French Japanese and Mandarin in the twentieth century Rather than imposing sharp borders this book suggests that vague boundaries link Eastern and Western literary works and traditions and that degrees of distance can better help us to see the multiple dimensions that both distinguish and join together literary worlds East and West As such it enables us to grasp not only how East Asian and Western writers translate one another's works into their own languages and traditions but also how modern writers East and West modify their own traditions in order to make them fit in the new constellation of literary worlds brought about by the complex flow of literary information across twentieth century Eurasia

Sadness Expressions in English and Chinese

Ruihua Zhang, 2014-09-25 Winner of the Tianjin Social Science Outstanding Achievement Award This book reports on the contrastive semantic investigation of sadness expressions between English and Chinese based on two monolingual general corpora and a parallel corpus The exploration adopts a unique theoretical approach which integrates corpus linguistic theories on meaning as a social construct usage and paraphrase with a corpus linguistic lexical model It employs a new complex but workable methodology which combines computational tools with manual examination to tease meaning out of corpus evidence to compare and contrast lexical items that do not match up neatly between languages It looks at sadness expressions both within and across languages in terms of three corpus linguistic structural categories i e colligation collocation and semantic association preference and paraphrase both explicit and implicit to capture their subtle nuances of meaning disclose the culture specific conceptualisations encoded in them and highlight their respective cultural distinctiveness of emotion By presenting multidisciplinary original work Sadness Expressions in English and Chinese will be of interest to researchers in corpus linguistics contrastive lexical semantics psychology bilingual lexicography and language pedagogy

Multimodal Approaches to Chinese-English Translation and Interpreting

Meifang Zhang, Dezheng (William) Feng, 2020-12-29 Nowadays discourse analysis deals with not only texts but also paratexts and images so do translation and interpreting studies Therefore the concept of multimodality has become an increasingly important topic in the subject areas of linguistics discourse analysis and translation studies However up to now not much research has been done systematically on multimodal factors in translation and interpreting and even less in exploring research models or methodologies for multimodal analysis in translation and interpreting This book aims to introduce and apply different theories of the multimodal discourse analysis to the study of translations with case studies on Chinese classics such as the Monkey King Mulan and The Art of War as well as on interpretations of up to date issues including the Chinese Belt and Road Initiatives and Macao tourism The chapters reflect the first attempts to apply multimodal approaches to translation and interpreting with a special focus on Chinese English translations and interpreting They provide new understandings of transformations in the multimodal translation process and useful reference models for researchers who are interested in doing research of a similar kind especially for those who are interested in looking into translations related to Chinese language literature and culture

To The Moon Simplified Chinese And English Version: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. To The Moon Simplified Chinese And English Version : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
