Strange Commotions Peter Rhaven, 2009-06 STRANGE COMMOTIONS This book is a psychological journey into that outer fringe of reality It is not necessarily meant to be a work of horror suspense or science fiction although there are elements of each but rather a collection of stories that have a tangible sense of apprehension about them It is more in the traditions of *The Twilight Zone* or *The Outer Limits* and not the typical horror suspense Now enter here into the twisted congeries and haunting reflections of the human mind where all strange commotions begin *The Amsterdam Town Hall in Words and Images* Stijn Bussels, Caroline Van Eck, Bram Van Oostveldt, 2021-05-20 The most famous monument of the Dutch Golden Age is undoubtedly the Amsterdam Town Hall by architect Jacob van Campen inaugurated in 1655 Today we stand in awe confronted with the grand Classicist facade the delightful horror of the sculptures in the Tribunal and the magnificence of the huge Citizens Hall In the period of its construction many artists and writers tried to capture the overwhelming impact of the building by among other comparisons relating it to the ancient Wonders of the World and by stressing its splendour riches and impressive scale In doing so they constructed the Town Hall as the ultimate wonder thus offering a silent but very powerful testimony to the power and position of the City of Amsterdam and its rulers as equals of the other European regimes To fully understand these mechanisms of power this book relates the Town Hall to other impressive buildings of the same period the palace of the Louvre Saint Peter's Basilica and Banqueting House and their visual and textual representations Thus this book gives a broad audience of readers new insights into the agency of magnificent buildings *The Amsterdam Town Hall in Words and Images* does not restrict itself to a national scope or a purely architectural analysis but clarifies how artists and writers all over Europe presented buildings as wonders of the world This

book is pioneering in its analysis of seventeenth and eighteenth century paintings prints drawings poems and travel accounts and offers a new understanding of how the wondrous character of these grand buildings was constructed **The Aristocrat's Lady** Mary Moore,2011-09-01 An Unexpected Encounter For a few moments on a moonlit balcony Nicole Beaumont was just a beautiful woman catching the eye of the handsome Lord Devlin but she knew the illusion couldn't last If the enigmatic aristocrat knew her secret he'd realize that her disability left her unfit for love So who could blame her for hiding the truth a little longer Devlin had never met a woman like Nicole Her unique combination of innocence and wisdom left him utterly intrigued Yet what was she hiding For a man who did not trust easily discovering her secret was devastating Overcoming their pasts and forging a future would take faith forgiveness and trust And second chances could lead to new beginnings **The Lost Moons of Venus** Toby Wilde,2015-03-11 It is Britain's darkest hour the desperate winter of 1940 standing alone against the all conquering German army It is even more so for a dazed young man from the 21st century who is pulled from the rubble of a bombed house at the height of the Blitz But that's only the start of his troubles in this alien world As a WWII history buff his knowledge of the war should be a godsend yet it proves a curse that changes everything Aware now of the military disasters ahead and the post war loss of the Empire Churchill's bulldog spirit wavers His political foes seize the opportunity to topple him from power determined to sue for peace with Germany If Churchill is ousted to leave Hitler unopposed civilisation will be plunged into a new Dark Age under the evil tyranny of the Nazi jackboot In a race literally against time the young man from the future tries to right the wrong but it could take more than one lifetime **A Writer's Romance** Tim Mead,2022-10-01 Ben Moss has a good day job with the Public Information Office of Colby County However at night he's a successful if secret writer of straight romance novels Ben has also written a serious novel about a man who is like himself gay Unlike his other books no one will publish it Ben's cheating ex is sorry and wants to get back together Ben's new boss at work is sexy and Ben is very attracted to the man Then there's his neighbor Toby Tabber Toby is smaller than Ben younger than Ben and it'll never work out between them Or will it Can Ben find romance just like his characters or will love remain strictly within the pages of his novels **Living Without A Life** Frank Anthony,2009-10-05 Skip Watson makes the biggest mistake of his life when he allows himself to be arrested and convicted of a crime he never intended to commit as was sentenced to prison as a sex offender **Teaching the Neglected "R"** Thomas Newkirk,2007 A collection of essays in which leading scholars explore the new realities of writing instruction in the twenty first century discussing how new advances in technology have influenced the field and describing new strategies for connecting with learners at all levels **Bear Hunting** R.W. Clinger,2015-01-25 Toby Cartwright hopes his work as a blogger about gay masculine bears will help him find the bear of his dreams When English teacher Blue Danning asks to borrow a few of Toby's articles to teach writing methods to his students initially Toby refuses until his best friend and gym owner David King persuades him otherwise Toby and Blue hit it off and start dating Then Toby meets musician Grant Stevens Not only does

Grant find Toby attractive but he also buys the blogger a drink Following one of Grant s shows Toby decides to take the singer home What happens between the singer and blogger is a surprise leaving Toby to question every man out there Unable to give up on his bear hunt Toby is asked to house sit for Denver Ralston a sexy muscular bear who works as a nutritionist at David s gym But Toby accidentally exposes Denver s secret changing their relationship forever Each day courier Carey Cunningham delivers a mysterious envelope to Toby which contains suggestive pictures of Toby Who s sending them and why When Toby finds out he s shocked at the results Finally leading porn star and Toby s former childhood friend Jim Bone comes to town and invites Toby out to catch up on old times When they meet they reflect on their past and how their lives have changed One of these adorable men has to be the right one for Toby But who is it
