

Unfortunately, such an idea makes them feel dissatisfied no matter what they do. Gradually, one forgets about friendship and becomes the only subject of one's thoughts (*I Am*). The desire to become better than others may be fulfilled or not. In any case, one feels lonely and rarely is happy (*I Am*). Thus, Shadyac's interviewees explain that human independence and separation are harmful. To make the world to be a better place, everyone should work collectively and be friendly.

Consumerism

The second important theme raised in *I Am* is the issue of consumerism. People tend to buy many things without thinking of how they will utilize them. In *I Am*, many of such inconsiderate purchases are depicted. One of the speakers even mentions that "our job is not to be a citizen but a consumer" (*I Am*). Shadyac tries to explain another major mistake that too many people make. Particularly, there is an erroneous opinion that the more one has, the happier one should be. However, Shadyac shows that such a belief is not true. As an example, the director describes how he bought his first Beverly Hills house.

While he had expected that his life would change instantly, nothing happened: the purchase did not make him happier "at all" (*I Am*). Thus, the lesson to be learned from the film is that more things do not equal more positive emotions. Some can be completely happy with the beloved people in a tiny apartment. Others may have wealth and fame but be lonely and miserable. The key to ultimate satisfaction is not having many possessions. Instead, one feels content when having little but truly necessary assets and having someone with whom one can share them.

Love and compassion

Finally, and most importantly, the topic of compassion and love is uncovered. One of the interviewees speaks about the concept of "mirror neuron" (*I Am*). This concept means that people tend to feel and share somebody's suffering when they see it. It is inspirational to know that some individuals still believe in brotherhood and democracy. There are those who find freedom and support crucial elements of the world's existence and development. *I Am* portrays people's behavior during different disasters and accidents. It is obvious that people have not lost compassion and fondness altogether.

Despite consumerism and separation, there is still a chance for humanity to improve. The names of that opportunity are appreciation, respect, friendship, and empathy. As one of the speakers remarks, "love is a force; it's a force that has power" (*I Am*). It is crucial to express support and loyalty toward others. New opportunities may be given to the world if people living in it are not cordial. So, after all, Shadyac comes to
