The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

Gamification: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2015-03-31 Serious games provide a unique opportunity to engage students more fully than traditional teaching approaches. Understanding the best way to utilize games and play in an educational setting is imperative for effectual learning in the twenty-first century. Gamification: Concepts, Methodologies, Tools, and Applications investigates the use of games in education both inside and outside of the classroom and how this field, once thought to be detrimental to student learning, can be used to augment more formal models. This four-volume reference work is a premier source for educators, administrators, software designers, and all stakeholders in all levels of education.

Lara Croft Tomb Raider Legend Lara Croft, Piggyback Interactive Ltd, 2006 The Legend Uncovered. Highlighted references lead to the 49-page Extras chapter which not only explains how to collect each Gold, Silver, and Bronze reward but also reveals every single unlockable feature in Tomb Raider Legend. Back cover foldout features multifunctional control instructions and a map legend for easy reference. Piggyback's signature three-level tab system facilitates easy access to all sections of the guide, such as the illuminating How to Play chapter, individual level walkthroughs, the Secrets section, and the revealing Behind the Scenes interview feature. Concept art sketches, renders, and illustrative hi-res screenshots make every page an individual and visually rich experience. Authoritative, all-encompassing walkthrough offers step-by-step guidance plus advanced strategies and tried and tested techniques refined over months of dedicated play. Dozens of detailed annotated maps provide an at-a-glance guide to every locale Lara visits. All maps feature key information for each area, including checkpoints, reward locations, and the ideal route for Lara to follow.
