Tonic Solfa Of The National Anthem

John M. Ross

Tonic Solfa Of The National Anthem:

The National Anthem of South Africa Ludumo Magangane, 2016-02-05 The book looks at the two components that make up the National Anthem of South Africa the hymn Nkosi Sikeleli Afrika by E Sontonga the poem Die Stem van Suid Afrika The Call of South Africa by C J Langehoven and how Die Stem was set to music by Rev L de Villiers The book introduces the Xhosa composer Enoch Sontonga how and when he composed the hymn Nkosi Sikeleli Afrika It then looks at the use of this hymn the effect it had on the black people and how it ultimately captured the imagination of the African National Congress The book then looks at the metamorphosis of the hymn also highlighting how it crossed the borders of South Africa The reader is then introduced to the Afrikaans poem Die Stem van Suid Afrika The Call of South Africa by C J Langehoven The book then traces how this poem also caught the imagination of the Afrikaaner nation its setting to music and how it ultimately became the national anthem of White South Africa Finally the reader gets to see how politics shaped the routes that these two compositions took to ultimately be fused together to the National Anthem of South Africa

The Review of Reviews William Thomas Stead, 1914 **Sarah Anna Glover** Jane Southcott, 2019-11-13 In Sarah Anna Glover Nineteenth Century Music Education Pioneer Jane Southcott explores the life and pedagogy of Sarah Anna Glover the female music education pioneer of congregational singing psalmody and singing in nineteenth century schools Glover devoted her life to the creation and propagation of a way of teaching class music that was meticulously devised musically rigorous and successfully promulgated Southcott analyzes Glover's methods history and memory and works to correct inaccuracies and misrepresentations that have emerged since Glover's death **Dictionary Catalog of the Music Collection** New York Public Library. Reference Department, 1964 **The Sunday School Teachers Magazine, and Journal of Education** Edward Butt, 1852 *The World of South African Music* Christine Lucia, 2009-03-26 The present Reader is a selection of texts on South African music which are chosen not only for their importance or the frequency of citations but with the express purpose of providing the reader with a deep understanding of the music itself Consequently there are readings that are chosen because they have been influential but there are also many which though published have not enjoyed very wide circulation There are those which are of obvious historic interest and others which speak to contemporary issues Among other things the volume provides an excellent sense of the varying ideologies and approaches that determine the relationship between author and subject The reader is indispensable to scholars and enthusiasts of South African music and it is of great interest to ethnomusicologists more generally It is also an excellent resource for those who do not have immediate access to harder to find articles and is perhaps most vital to those who are looking to find a way into the world of South African music
