Natalie Queiroz, 2019-06-13 Natalie Queiroz was eight months pregnant when she was stabbed by her partner in the most vicious attack imaginable In the space of nine minutes and in broad daylight Natalie was stabbed twenty four times with a carving knife She suffered horrific wounds to her lungs liver stomach and uterus whilst the knife missed her baby by a margin of two millimeters before the arteries in her wrists were methodically severed by the hooded attacker she finally realised was her partner and the father of her unborn child After heroic intervention by passers by and police the attack was brought to an end but her ordeal was not over An air ambulance rescue was launched and against all medical odds Natalie and her baby survived but not without life changing physical and emotional damage Still Standing is the story of one life shattering event what came before that fateful day what happened on it and how one woman and her baby survived to rebuild and heal together after it At once a shocking story of evil manipulation and violence and a truly moving reminder that a life can be pieced back together no matter how bad the damage this book will empower and inspire anyone who has ever faced true adversity to rise up and stand tall Rayne Hawke: The Killing Fields: Dusk 'til Sunrise, A Delightful Compendium of Consolation Burton L.
