Tough Questions about God and the Bible Stephen M. Miller, 2014-04-15 Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let s be honest the Bible can be hard to understand It s full of weird laws apparent inconsistencies and tales of a God who often doesn t do what we expect You may have asked about some of these things and been brushed off or given trite unconvincing answers But serious questions deserve thoughtful responses especially when opinions of Bible experts clash Stephen M Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions He does so with a touch of humor and no preaching allowing you to draw your own conclusions Questions include Would a loving God really put a good man like Job through horrible suffering just to test his loyalty If God knows everything why did he test Abraham s faith by asking him to sacrifice his own son How could there be just one God yet three Since Jesus told people to turn the other cheek why aren t more Christians pacifists **Faith Under**

J. Timothy Allen,2017-08-04 Help My Unbelief is for a small but growing number of Christians who are asking critical questions about their faith their church s history and the Bible Around the 60s CE doubts arose as tensions within Judaism escalated questions about Jesus and his delayed return were voiced and Roman persecutions intensified Jesus was one of a number of itinerant preachers miracle workers and insurrectionaries What set him apart from others Using the Gospel of Mark the author demonstrates that doubts existed within the early Christian community Doubting Christians can take comfort that Mark addressed these issues then and thus provides a guide for living in today s ever questioning world of faith **The Christian Union** Henry Ward Beecher,1883 **What You Need to Know Before Leaving Home** Jeff McDonnell,2018-05-31 Okay now what It s the normative if not a little panicked question every new parent has been asking for thousands of years at the birth of their first child It s also the question that resurfaces at every significant stage in our kids development Left unanswered or answered incorrectly the consequences can be disastrous for everyone But there exists an effective and proven way to raise good kids to launch into today s world This book is written as one big thought provoking letter from a Mom and Dad to their kids and it will equip the whole family to that end It doesn t take a PhD a counseling degree a radio show or an advice column to get it done either It only takes a commitment to be intentional with your parenting What You Need to Know Before Leaving Home is the answer to the question where can I find a parenting manual for my kids This manual offers a timeless worldview and value system to lead the whole Family towards that which is noble and good In short it s a guidebook to doing good Christianity and World Religions - Participant's Book Adam Hamilton,2010-10-01 Adam Hamilton named by PBS s Religion and Ethics Newsweekly as one of the top Ten People to Watch has created an inviting new series of video and book studies on love and marriage life issues world religions and Christian
