Uprooted English Edition:

The Southern Discourse in Sinophone Literature Chia-rong Wu, Min-xu Zhan, Alison Groppe, Yenna Wu, 2025-09-08 This book delves into the evolving Southern discourse in Sinophone literature and explores its significance in the global context Examining the Southern discourse not just within mainland China but also in the geographically and culturally southern regions including Southeast Asia Hong Kong Macao Taiwan and Australia this book analyzes various critical themes including transnational migration racial dynamics and stereotypes gender politics indigenous awareness cultural hybridity and global connections between the South and North Challenging existing frameworks and providing innovative perspectives on Sinophone literature's Southern discourse this book will appeal to students and scholars of Chinese literature Asian literature and comparative literature

Republic of the Dispossessed Rowland Berthoff, 1997 Berthoff history Washington U St Louis argues that modern American society is distinctive from contemporary European thought by virtue of its middle class Over the course of ten essays the author develops the idea of an American middle class who brought with them from Europe a set of social values that has acted as a template for middle class values These ideals of a balance between personal liberty and communal equality have inspired a peculiarly American reaction to the modern changes of industrialization urbanization and immigration causing a reactive apprehension in the middle class that they are like their peasant and artisan ancestors once again being dispossessed Annotation copyrighted by Book News Inc Portland OR

Reading Iraqi Women's Novels in English Translation Ruth Abou Rached, 2020-10-28 By exploring how translation has shaped the literary contexts of six Iraqi woman writers this book offers new insights into their translation pathways as part of their stories politics of meaning making The writers in focus are Samira Al Mana Daizy Al Amir Inaam Kachachi Betool Khedairi Alia Mamdouh and Hadiya Hussein whose novels include themes of exile war occupation class rurality and storytelling as cultural survival Using perspectives of feminist translation to examine how Iraqi women's story making has been mediated in English translation across differing times and locations this book is the first to explore how Iraqi women's literature calls for new theoretical engagements and why this literature often interrogates and diversifies many literary theories geopolitical scope This book will be of great interest for researchers in Arabic literature women's literature translation studies and women and gender studies

Bulletin of the International Railway Congress Association [English Edition] International Railway Congress Association, 1897

"A" New English Dictionary on Historical Principles James Augustus Henry Murray, 1926

Proceedings of the British Academy British Academy, 1918

Christian Socialism Philip Turner, 2022-05-26 Christian Socialism arose in England in the mid nineteenth century as a response to the philosophy of political economy now commonly called neoliberalism Seeking not institutional change or nationalisation but a reform of the moral underpinnings of society it refuted the assumption that people are essentially selfish competitive individuals seeking nothing but personal happiness Although they did not deny the

presence of selfishness its proponents believed that the social nature of humankind lies deeper than such egotism and conflict and pursued a society built on this belief Less prominent now than at the time of its inception Christian Socialism nevertheless continues into the twenty first century its goal nothing less than a new society built upon the virtues of equality fellowship cooperation service and justice Philip Turner s careful exposition traces the history of this strand of Anglican political thought and restores confidence in its message for the future *Goethe: His Life and Times* Richard Friedenthal, Originally published London Weidenfeld and Nicolson 1965

Against Power Giacomo Marramao, 2016-05-13 In his latest book in the study of power Giacomo Marramao focuses on the work of two great Central European writers Elias Canetti and Herta and Paul Amirson each of whom in different periods and contexts offered a philosophical genealogy of forms of domination and a radical diagnosis of power command and law To grasp the meaning of the transformations of power it is necessary to go to the roots to the arche that originated it as a factor common to all human cultures and all historical periods Power cannot be suppressed any attempt to overcome it by eliminating one or another form of its exercise has done no more than strengthen it Power must however be uprooted or subverted in its logic of identity which is activated in the boundless character of desire and the paranoid scene of fear and the death of the Other In the midst of today s global world to trace a line of opposition to power means to free ourselves from the alibi of objectivity and to focus instead on subjects and their potential for metamorphosis regeneration This is possible only if we detach ourselves from the ground noise of actuality and recover the broken thread of solitary and extreme works

A Companion to Comparative Literature Ali Behdad, Dominic Thomas, 2014-09-15 A Companion to Comparative Literature presents a collection of more than thirty original essays from established and emerging scholars which explore the history current state and future of comparative literature Features over thirty original essays from leading international contributors Provides a critical assessment of the status of literary and cross cultural inquiry Addresses the history current state and future of comparative literature Chapters address such topics as the relationship between translation and transnationalism literary theory and emerging media the future of national literatures in an era of globalization gender and cultural formation across time East West cultural encounters postcolonial and diaspora studies and other experimental approaches to literature and culture

A Chicano Theology Andres G. Guerrero, 2008-11-01 I selected twelve themes because of their importance to the Chicano community These themes deal with Chicano liberation One cannot speak about liberation One cannot speak about liberation without mentioning these social political economic psychological and religious issues nor without mentioning these symbols Machismo y La Mujer Racism Classism Education and Labor Violence and Nonviolence Respect for the rights of others is peace Benito Juarez The Land Fatalistic and Anarchistic Tendencies The Catholic Church Theology The Symbol of Exodus The Religious Spiritual Symbol of Guadalupe The Secular Spiritual Symbol of La Raza Csmica from the book

The White Peacock David Herbert Lawrence, 1999-06 Lawrence s first novel is a compelling exploration of the estrangements of modern life Focusing on three

relationships one destructively stillborn one disastrously unfulfilling and one passionately unspoken Lawrence exploits the language and conventions of the rural tradition to foreground man's alienation from the natural world His evocation of the vanishing countryside of the English Midlands as seen through the eyes of the effete Cyril Beardsall is both vivid and arresting and as the novel draws towards its tragic conclusion Lawrence handles his themes with an increasingly visionary power The White Peacock is both a fascinating precursor of the more famous novels to come and a moving and challenging book in its own right

Self-Translation Anthony Cordingley, 2013-01-03 A study of the multilingual cultural contexts and the hybrid identities created when writers self translate

The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933

The Art of Peace Georges Ohsawa, 1990 This book explains the principles of judo and aikido in order to show their fundamental relationship to the basis of happiness justice freedom and world peace as presented in macrobiotic theory Previously published as The Art of Peace

British Identities and English Renaissance Literature David J. Baker, Willy Maley, 2002-05-16 Though British history and identity in the early modern period are intensively researched areas the role of literature in the construction of Britishness is under examined English history of the sixteenth and seventeenth centuries often overlooks the contribution of Ireland Scotland and Wales to the formation of the British state Historians describe Britain as a multiple kingdom with a long history of conflict In this 2002 volume a team of leading Renaissance literary critics read a broad range of texts from the period including plays of Shakespeare in light of British history Prominent historians respond to the issues raised by the volume This collection opened up a different kind of literary history and has pressing relevance for discussions of Britishness

The Book of Enoch or I Enoch Black, 2023-06-26

The Last Israelis Noah Beck, 2013-05-06 Apocalyptic military fiction with a powerful message Iran has nukes Israel's leader is hospitalized History is now up to 35 Israelis Ethnically diverse Ideologically divided On a nuclear armed submarine WHAT CRITICS SAY Gripping chilling brings to mind *Crimson Tide* *The Hunt For Red October* and *U 571* You'll feel like you're on the sub with the world on the brink of disaster No matter what political side you're on it's a must read Don't start reading this novel if you have somewhere to be You'll probably miss your appointment Alan Zeitlin in NY *Blueprint* The novel paints a frightening picture of what the world could look like after Iran goes nuclear Most of the Armageddon thriller takes place aboard the Dolphin submarine Israel's second strike answer to the existential threat posed by a nuclear Iran The crew reflects the diversity of Israeli society There are descendants of Holocaust survivors native Arabic speakers one Christian and one Druze the son of Persian Jews who escaped from the Iranian revolution of 1979 an Ethiopian who crossed Sudan by foot as a child to reach Israel religious Jews the atheist son of a Soviet Refusenik a submariner who holds right wing views and another who secretly attends leftist rallies and a homosexual whose parents were Vietnamese refugees saved by Israel in 1977 How do all of these people get along during months away from home living in close quarters facing deadly threats at sea Their voyage has

enough naval action and drama to rival the suspense of a Tom Clancy novel But the book also features riveting debates about war ethics geopolitics religion and the protection of minorities The author does an excellent job of giving voice to every political and philosophical perspective Karen Brown in Israel Today The book provides a picture of Israelis at work in one of the most claustrophobic and intense environments in the world weeks at a time in a submerged submarine in hostile waters The novel is a great read on a subject as current as the headlines and poses a situation where none of the choices are good or easy Richard Baehr in American Thinker The story has enough page turning naval action to qualify as a military and geopolitical novel about a Middle East Armageddon but it also entertains as a psychological thriller The submarine space is a social experiment more intense and compelling than any reality show And the novel has a deeply philosophical element that provides all of the deliberative suspense of Twelve Angry Men Max Shaw in Israel National News MORE DETAILS In this gripping doomsday thriller ripped from the headlines Iran has threatened to destroy Israel while developing the nuclear capability to do so Struck by a medical emergency Israel s Prime Minister falls unconscious just as military action is needed to stop Iran s nukes History is now up to 35 Israelis aboard the Dolphin a powerful submarine armed with nuclear tipped ballistic missiles Ship unity is crucial to mission success but deep conflicts rise to the surface among crewmembers who are ethnically diverse and ideologically divided Tensions boil further from the rivalry between the captain and his deputy and a childhood tragedy that quietly haunts a younger sailor whose psychological wounds could explode at any time On their suspenseful voyage to Armageddon the submariners must confront each other and pulse pounding threats at sea before facing an unthinkable dilemma It will be the toughest decision of their lives and it will determine the fate of the Middle East

A Critical, Practical and Explanatory Commentary on the Old and New Testaments Jamieson, Andrew Robert
Fausset, David Brown, 1864
