MEMORANDUM FOR THE ATTORNEY GENERAL

THROUGH: THE DEPUTY ATTORNEY GENERAL 
FROM: Steven A. Engel 
Assistant Attorney General, Office of Legal Counsel
Edward C. O'Callaghan 
Principal Associate Deputy Attorney General
SUBJECT: Review of the Special Counsel's Report

At your request, we have evaluated Volume II of the Special Counsel's Report on the Investigation into Russian Interference in the 2016 Presidential Election to determine whether the facts recited therein would support initiating or declining the prosecution of the President for obstruction of justice under the Principles of Federal Prosecution, without regard to any constitutional barrier to such a prosecution under Article II of the U.S. Constitution. Over the course of the Special Counsel's investigation, we have previously discussed these issues within the Department among ourselves, with the Deputy Attorney General, and with you since your appointment, as well as with the Special Counsel and his staff. Our conclusions are the product of those discussions, as well as our review of the Report.

For the reasons stated below, we conclude that the evidence described in Volume II of the Report is not, in our judgment, sufficient to support a conclusion beyond a reasonable doubt that the President violated the obstruction-of-justice statutes.¹ In addition, we believe that certain of the conduct examined by the Special Counsel could not, as a matter of law, support an obstruction charge under the circumstances. Accordingly, were there no constitutional barrier, we would recommend, under the Principles of Federal Prosecution, that you decline to commence such a prosecution.

I. The Department Should Reach a Conclusion on Whether Prosecution Is Warranted Based on the Findings in Volume II of the Special Counsel's Report

The Special Counsel has investigated certain facts relating to the President's response to the FBI's Russia investigation and to the subsequent Special Counsel investigation. In so doing,

¹ Given the length and detail of the Special Counsel's Report, we do not recount the relevant facts here. Our discussion and analysis assumes familiarity with the Report as well as much of the background surrounding the Special Counsel's investigation.
