A. **Walter Dill** (English colonists) wrote about the role and shape of government influenced the growth of the colonies, the laws that (influenced) and the system of government that later today.

1. **John Locke**, **Christian**, natural and supernatural laws (natural law) are important contributions to the founding principles and development of the United States.

2. The principle that a government's power is derived absolutely from the **Magna Carta**, which the English people have regarded as a guarantee of **English** **government**.

3. The English **Bill of Rights** and other documents that established and confirmed constitutional documents applied to them and gave them the same rights as people living in Britain.

4. The English system of **law**, especially as organized by the **Parliament**, was widely followed in the colonies.

5. **John** **Locke** **Parliament**, with delegates representing the people, was a familiar example of **representative** government, but they criticized it.

6. Thomas Hobbes developed the **Social Contract** theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have **natural rights** as human beings and a government that failed to protect them is illegitimate.

8. John Locke believed in **law**, **justice**, **liberty**, **freedom** that people rights and responsibilities are equal to a community, especially as a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested **separation** the powers of government.

10. **Walter Dill** said that the English colonies had the same government structure.
