Coming Home Tetiana Trofusha, 2020-02-01 Since her fall on the catwalk Ji is petrified to leave the apartment Her only ray of hope is her husband Adan the CEO of a neurotechnology company With him she believes she has the perfect marriage until she discovers cuts on her body Who inflicted them on her Adan or herself And why can t she remember When she starts hearing voices too she is convinced to go insane Or is Adan playing some kind of vicious mind game with her The story was nominated for the German Science Fiction Award 2019 and for the Kurd La witz Award 2019 **Your Personal Shopper (Short Story, BL/Yaoi, English)** Goddess Somi, 2021-12-28 Category Fiction Yaoi Fiction Short Story Fiction Korean Fiction Web Novel Summary A nerdy man heard about a mysterious shop It sells sex toys which is not so special as a shop but it has a personal shopper who can help a customer choose the right toys for themselves The man decided to visit the shop and got his wallet thick with money modernSetting mistake comedy foolishMistakes innocentSoo timidSoo This short story of yaoi BL is translated from from the original Korean short web novel text only no illustration Tables Of Contents Title Page Body Content Copyright 38 pages in approx print length Preview A man went back and forth in front of the store He had thick hair and glasses but he had grown hair so much that he couldn t even see his eyes well A stretched shirt worn jeans that are out of fashion and sneakers that are crumpled He had a pale face like he hadn t seen the sunlight a thick wallet roughly inserted into his back pocket and even his hands are restless while looking at his cell phone The man who seemed to be a perfect unsociable looked around the alley again while looking at the sign of a store and looked at his cell phone with anxiety His steps were hesitating and he was nervously biting his thumb nail and glancing around Then eventually he took a step as if he had made up his mind The store was leading to the basement and at the entrance there was a light that was only enough not for a man to fall The green emergency exit sign was the brightest The man carefully went down the stairs and breathed in There was a strong musk scent beyond the humid and moist smell unique to the basement The scent that made the person s heart beat He lifted his blurry eyes and went down When He reached the end he got used to the dark he saw an iron decoration that gave a somewhat antique feeling Personal shopper It was found that the sign was made of high quality materials that seemed neat and elegant This was the shop where only one person could make a reservation a day The waiting list was long and there were few customers but the shop was rumored to be beautiful It was even salty for people liked staying only in house and didn t think they would go well with shopping This this all all all it s like a scam The deposit for reservation alone was quite expensive He paid for that too Among the few acquaintances the satisfaction of those who had been there was high It was from the person that he met on the Internet if he had to say he knew The man alternately looked at the signs that did not match his shabby clothes and thought of the deposit he had made for a reservation That s the deposit and if the deal was made today the rest of the money would be withdrawn Even if he would cancel the deposit would not come back Personal shoppers are helping individuals shop so he brought money for shopping Thanks to it his wallet was

thick He could have just gone for an PC room with the money He thought he couldn't help it even if they took off the deposit But something was missing Everyone said it was a fantastic experience He heard that the items they shopped after that were perfect too For some reason He roughly wiped his sweaty palms on his pants With a determined look he came down the stairs further and grabbed the doorknob on the left Other Books By JellyBeanEnter The Love Of VR By Nimdorusin Yaoi The Summer In The Hut By Epillia Yaoi Your Personal Shopper By Goddess Somi Yaoi What You Do With A Possessed Body By Cypress Romance The Pill Of Regret And Fall By Jjabjaljjab GL About JellyBenEnter Based in Korea JellyBeanEnter is a publisher specialized in ebook Since 2017 JellyBeanEnter has published the ebooks in yaoi romance and GL categories Get more info at jellybeanenter instagram or twitter

innovators in fiction tracing a continuum between these pre modern experimentalists and their postmodern progeny Irreverent iconoclastic informative entertaining The Novel An Alternative History is a landmark in literary criticism that will encourage readers to rethink the novel *The Mental Health of Gifted Intelligent Machines* John Senior,Éva Gyarmathy,2024-02-13 The Mental Health of Gifted Intelligent Machines explores the increasingly sophisticated behaviours of developing AI and how we can ensure it will have emotional resilience ethical strength and an ability to think in a new and enhanced way Its primary aim is to change how we understand the world by investigating humanity as an intelligent being examining and contrasting human and artificial intelligence The book considers what we can learn from the likely mental health issues that will occur with increasingly sophisticated aspects of machine intelligence and how they will reflect the human condition It asks questions about our identity in a deeply uncertain and disruptive ever changing world how we will improve and enhance our psychological intelligence to meet the increasing complications and demands of the future and what we need to do now to be psychologically intelligent enough to live a full meaningful life in a new world evolving around us The book argues that changes in our understanding of mental health psychology and our view of intelligence will challenge huge aspects of our fundamental beliefs and assumptions and that it is essential we explore new arenas to further understand both our own human psychological issues and mental health as we develop gifted intelligent machines It is a must read for all students researchers and professionals involved with AI gifted education consciousness and mental health

Key Concepts in Crime Fiction Heather Worthington,2011-08-31 An insight into a popular yet complex genre that has developed over the nineteenth and twentieth centuries The volume explores the contemporary anxieties to which crime fiction responds along with society s changing conceptions of crime and criminality The book covers texts contexts and criticism in an accessible and user friendly format [The Navy SEAL's Holiday Fling \(Ballybeg Bad Boys, Book 3\)](#) Zara Keane,2015-12-14 He d saved her life She s about to blow up his world When former Navy SEAL Liam Ryan rescues pleasure toy rep Jill Bekele from a ticking time bomb literally they find themselves pitted against a terrorist determined to destroy the holiday season **Same-Sex Unions in Premodern Europe** John Boswell,2013-08-28 Both highly praised and intensely controversial this brilliant book produces dramatic evidence that at one time the Catholic and Eastern Orthodox churches not only sanctioned unions between partners of the same sex but sanctified them in ceremonies strikingly similar to heterosexual marriage ceremonies **Letters from Inside a U.S. Detention Center** Jane Juffer,Carla,2023-04-19 After fleeing homophobia and threats to her life in her native El Salvador Carla was detained for two years inside the Buffalo Federal Detention Center Her letters provide a powerful and unique account of a queer woman s experience inside America s asylum system Letters from Inside a U S Detention Center reconstructs Carla s story from the correspondence between Carla and Jane Juffer a professor at Cornell University and from excerpts from the legal decisions made while she was being held in immigration detention Contextualised with explanation and analysis of detention in the United States the book examines how

detention exacerbates the trauma many migrants experience and becomes another site of fear intimidation and uncertainty
Carla s narrative is a powerful story and one that illustrates grievous injustices in the U S immigration and asylum system
The book will be of immense value to immigration activists and scholars alike especially in feminist studies queer studies and those studying the intersections of prisons and detention centres [Supplement to Encyclopædia Britannica \(ninth Edition\)](#)
,1889 **THE END OF WOKE** Andrew Doyle,2025-05-29 Thought provoking and entertaining Andrew Doyle s intellect dazzles Jimmy Carr A magisterial read divinely inspired writing and commentary from one of the most thoughtful intellectuals of our time Michael Shermer The best work yet by the creator of genius parody Titania McGrath The Critic A revelatory investigation into the rise and fall of the woke movement and how we can prevent it from happening again It is no secret that we are in the midst of a cultural revolution Activists in the woke movement have claimed to be on the right side of history and yet their approach has been intolerant intemperate and above all illiberal Having dominated the western world for the past fifteen years there are clear signs the woke are now losing their power The re election of Donald Trump the scaling back of DEI initiatives and a growing awareness of the threats to women s sex based rights has stirred a counter revolution But is this truly the end of woke Or have the culture wars merely evolved In *The End of Woke* Doyle skilfully examines the mechanisms underlying the zealous extremes on both the left and the right He shows that in a desperate power struggle to re assert liberal values some leaders of the anti woke movement have found themselves adopting a different kind of authoritarian approach one which also promotes censorship and erodes our freedoms Doyle argues that although authoritarianism is common to all political tribes we must resist its pernicious influence wherever it emerges After all replacing one form of tyranny with another will not end the culture wars But liberalism true liberalism might just see the end of woke for good
