Short Essay On My Father:

My Father's House Thomas Dumm, 2014-09-29 In *My Father's House* the political philosopher Thomas Dumm explores a series of stark and melancholy paintings by the American artist Will Barnet Responding to the physical and mental decline of his sister Eva who lived alone in the family home in Beverly Massachusetts Barnet began work in 1990 on what became a series of nine paintings depicting Eva and other family members as they once were and as they figured in the artist's memory Rendered in Barnet's signature quiet abstract style the paintings each featured in full color present the ordinary and extraordinary aspects of a twentieth century American family Dumm first became acquainted with Barnet and his paintings in 2008 Given his scholarly focus on the lives of ordinary people he was immediately attracted to the artist's work When they met Dumm and Barnet began a friendship and dialogue that lasted until the painter's death in 2012 at the age of 101 This book reflects the many discussions the two had concerning the series of paintings Barnet's family his early life in Beverly and his eighty year career as a prominent New York artist Reading the almost gothic paintings in conversation with the writers and thinkers key to both his and Barnet's thinking Emerson Spinoza Dickinson Benjamin Cavell Nietzsche Melville Dumm's haunting meditations evoke broader reflections on family mortality the uncanny and the loss that comes with remembrance

The Story of My Father Sue Miller, 2007-12-18 In the fall of 1988 Sue Miller found herself caring for her father as he slipped into the grasp of Alzheimer's disease She was she claims perhaps the least constitutionally suited of all her siblings to be in the role in which she suddenly found herself and in *The Story of My Father* she grapples with the haunting memories of those final months and the larger narrative of her father's life With compassion self scrutiny and an urgency born of her own yearning to rescue her father's memory from the disorder and oblivion that marked his dying and death Sue Miller takes us on an intensely personal journey that becomes by virtue of her enormous gifts of observation perception and literary precision a universal story of fathers and daughters James Nichols was a fourth generation minister a retired professor from Princeton Theological Seminary Sue Miller brings her father brilliantly to life in these pages his religious faith his endless patience with his children his gaiety and willingness to delight in the ridiculous his singular gifts as a listener and the rituals of church life that stayed with him through his final days She recalls the bitter irony of watching him a church historian wrestle with a disease that inexorably lays waste to notions of time history and meaning She recounts her struggle with doctors her deep ambivalence about many of her own choices and the difficulty of finding continually the humane and moral response to a disease whose special cruelty it is to dissolve particularities and to diminish in so many ways the humanity of those it strikes She reflects unforgettably on the variable nature of memory the paradox of trying to weave a truthful narrative from the threads of a dissolving life And she offers stunning insight into her own life as both a daughter and a writer two roles that swell together here in a poignant meditation on the consolations of storytelling With the care restraint and consummate skill that define her beloved and best selling fiction Sue Miller now gives us a rigorous compassionate

inventory of two lives in a memoir destined to offer comfort to all sons and daughters struggling as we all eventually must to make peace with their fathers and with themselves
