

My Hobby

Gardening is my favorite hobby through which I can see nature and enjoy it. Nature is a true guide of man. Wordsworth, the great poet, contends that nature never betrays anyone who loves her. Long and Short Essay on My Favourite Hobby Gardening Essay.

There is a vast space, in my house, for growing vegetables, fruits and flowers. I have grown roses, lilies, and sunflowers. The sweet fragrance of the flowers serves as a tonic for my body and mind and thus helps me become stronger physically and mentally. I have planted a few fruit trees also. There is an adequate growth of vegetables in our compound. So, we rarely purchase any vegetables from the market.

of James Dean Demonic Heroes Have Villainous Virtues challenges previously conceived notions about the actor James Dean
Author Derek Reeves argues that Dean was not a rebel against the establishment and that class conflict the need to redefine
his public image and a desire to attack Christianity prompted the men who ran the motion picture industry in the 1950s to
portray the actor as a rebel against conformity of any kind Members of the postwar generation embraced Dean as a symbol of
rage and rebelliousness because they believed that the thuggish characters he played reflected his essential persona Dean's
characterization of the tough teenager gave a sense of belonging to misdirected young people whose adolescent rebellion
stemmed from their inability to cope with societal demands during the Eisenhower era The author's analysis of Dean's legend
provides rare insight into the actor's life viewed from a historical perspective If you've ever wondered what Dean did to earn
