The Culinary Imagination Sandra M. Gilbert, 2014-08-18 From the recipe novel to the celebrity chef, renowned scholar Sandra M. Gilbert explores the poetics and politics of food. In this stunning and important work, the prominent critic, poet, and memoirist Sandra M. Gilbert explores our relationship with food and eating through discussions of literature, art, and popular culture. Focusing on contemporary practices, *The Culinary Imagination* traces the social, aesthetic, and political history of food from myth to modernity, from ancient sources to our current wave of food mania. What does it mean to transform raw stuff into cooked dishes, which then become part of our own bodies to savor festive meals, yet resolve to renounce gluttony to act as predators where in another life we might have become prey? Do the rituals of the kitchen have different meanings for men and women, for professional chefs and home cooks? Why today do so many of us turn so passionately toward table topics on the page, online, and on screen? What are the philosophical implications of the food chain on which we all find ourselves? In *The Culinary Imagination*, Gilbert addresses these powerful questions through meditations on myths and memoirs, children's books, novels, poems, food blogs, paintings, TV shows, and movies. Discussing figures from Rex Stout to Julia Child and Andy Warhol, from M.F.K. Fisher and Sylvia Plath to Alice Waters and Peter Singer, she analyzes the politics and poetics of our daily bread, investigating our complex self-definitions as producers, consumers, and connoisseurs of food. The result is an ambitious, lively, and learned examination of the ways in which our culture's artists have represented food across a range of genres.

Faith, Food, and Friendship Walter J. Smith, S.J., 2022-09-27 Life, like any good recipe, requires time, wholesome ingredients, patience, and skill to perfect. It's not every day that a Jesuit priest, psychologist, and chef who apprenticed in cooking at Le Cordon Bleu in Paris in the 1960s and spent nearly 60 years preaching, teaching, and managing academic and non-profit organizations sets aside time to preserve memories of the significant people, moments, travels, and events that have shaped his life. Even more impressive is Father Walter J. Smith's epic undertaking of presenting a creative collection of enchanting reminiscences through the lens of the foods and recipes he sampled in his extensive travels. *Faith, Food, and Friendship* chronicles highlights of Father Smith's life's pilgrimage by means of 175 carefully crafted classic, original, or adapted recipes assembled from many corners of the globe and every level of society. Growing up in South Boston in a second-generation American Irish family that ate but never dined, it is remarkable that I developed any interest at all in the culinary arts. Looking back on my own lifetime of discovery, I can affirm that God did not

skimp on the good stuff There has been plenty of butter and heavy cream truffles and saffron aceto balsamico and jam n ibrico de Bellota I invite you to accompany me on this journey where these words from the author of the Book of Genesis will it is hoped prove true Everything that lives and moves about will be food for you Early in his life Fr Smith came under the spiritual and intellectual influence of the Society of Jesus the Jesuits who launched him on a rich journey of discovery He has a doctorate in clinical psychology and degrees in philosophy theology French language and literature and counseling psychology He spent five decades as a clinician professor consultant trustee department chair dean chief executive officer and chancellor
