Bhattacharyya,2023-10-10 Here is my wish for all young children that they too can experience a class as inspiring as Ranu's. Here is my wish for all teachers when you read *The Castle in the Classroom* let Ranu's wise teaching be your guide. Georgia Heard *The Castle in the Classroom* describes a year in a kindergarten classroom as the children embark on literary exploration. Each child approaches the journey from a different perspective; some are self-sufficient, others more hesitant, some are literary adventurers, others shyly reluctant. The detailed focus lessons throughout the book use the power of stories, personal narratives, folktales, and fairy tales to deepen the literary experience so that reading and writing become as much a part of kindergarten as playing and pretending are. As the book progresses through the year, teachers will find a wealth of resources including practical models to teach strategies and skills, effective teaching schedules, ways to address challenge, expand and celebrate student learning, examples of student work, parent education materials, and ideas on how to manage assessment. By the end of the year, your students like those in Ranu's class will have built on their love of storytelling to establish a strong literacy foundation.

The Very Hungry Caterpillar Eric Carle,1981-10-15 THE ICONIC 1 BESTSELLER The all-time classic picture book starring the world's favorite caterpillar. Generations of children have grown up on this beautifully dramatized story of a caterpillar who eats his way to becoming a butterfly. Gorgeously illustrated, brilliantly innovative. *The New York Times Book Review* In the light of the moon, a little egg lay on a leaf. One Sunday morning the warm sun came up and pop out of the egg came a tiny and very hungry caterpillar. So begins the journey of Eric Carle's most beloved storybook character. Follow along as one of nature's loveliest marvels eats his way through an amazing variety of foods as he prepares to transform into a beautiful butterfly. Children will love the strikingly bold, colorful pictures against a simple text in large, clear type. An innovative, entertaining story that teaches little ones about counting and the days of the week, this book doubles as the perfect way to introduce change as a positive and necessary part of life. *The Very Hungry Caterpillar* is an ideal gift for new babies, baby showers, birthdays, and other new beginnings.

The Giant Encyclopedia of Circle Time and Group Activities for Children 3 to 6 Kathy Charner,1996 Contains more than six hundred circle time and group activities designed by teachers to use with children three to six years old, each including a suggested age, a list of materials, and step-by-step directions. Features lists of related books, songs, and poems.

Try Your Hand at This Kathy MacMillan,2005-11-10 American Sign Language is more than just an assortment of gestures. It is a full-fledged, unique language with all the characteristics of such. This helpful and user-friendly guide for librarians and other library personnel involved in library programming demonstrates everything from how to set up programming involving sign language for all ages to dealing with and paying interpreters. The book also discusses how to publicize programs to the public and within the deaf community and how to evaluate and improve the library's sign language collection. Kathy MacMillan's impressive understanding and knowledge of the deaf community and the importance of sign language, as well as her exceptional handling of the numerous erroneous myths about deafness and sign language that are unfortunately still often current, make

this handbook an indispensable tool for all library personnel looking to reach out to the deaf and hard of hearing community

The Very Hungry Caterpillar - Literature Kit Gr. 1-2 Marie-Helen Goyette, 2007-05-01 Combine science with language arts with this tale of a caterpillar turning into a butterfly Students start their study by discussing what they already know about caterpillars Complete vocabulary words with their missing double consonants or double vowels Find all the nouns in the sentences from the story Answer questions about the novel with vocabulary words Students brainstorm what the caterpillar might eat and draw a picture of these things Write the stages in the life cycle of a caterpillar as described in the book on a timeline Explore the life cycles of other animals like an ant ladybug mosquito and frog Aligned to your State Standards and written to Bloom's Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel This is the delightful story of a caterpillar's growth and change as he moves through his life cycle from egg to butterfly The story begins with the first stage in his life cycle an egg on a leaf When the egg hatches the tiny caterpillar emerges and he is very hungry The little caterpillar eats everything in sight For seven days he eats many different and delicious foods and as he eats he grows into a very big caterpillar Then he builds a cocoon around himself The caterpillar remains nested in his new home for just over two weeks and finally he reemerges into the world as a beautiful butterfly
