Tomato in America Andrew F. Smith,2001 From the Americas to Australasia from northern Europe to southern Africa the tomato tickles the world s taste buds Americans alone devour more than twelve million tons annually of this peculiar fruit variously considered poisonous curative and aphrodisiacal In this first concerted study of the tomato in America Andrew F Smith separates myth from historical fact beginning with the Salem New Jersey man who in 1820 allegedly attracted spectators from hundreds of miles to watch him eat a tomato on the courthouse steps the legend says they expected to see him die a painful death Later hucksters such as Dr John Cook Bennett and the Amazing Archibald Miles peddled the tomato s purported medicinal benefits The competition was so fierce that the Tomato Pill War broke out in 1838 The Tomato in America traces the early cultivation of the tomato its infiltration of American cooking practices the early manufacture of preserved tomatoes and ketchup soon hailed as the national condiment of the United States and the great tomato mania of the 1820s and 1830s The book also includes tomato recipes from the pre Civil War period covering everything from sauces soups and main dishes to desserts and sweets Now available for the first time in paperback The Tomato in America provides a piquant and entertaining look at a versatile and storied figure in culinary history **Pure Ketchup** Andrew F. Smith,1996

When Andrew F Smith began researching the heritage of America s favorite condiment he uncovered the makings of a great story exotic and mysterious beginnings unusual and colorful characters evil adulterators and contaminators strong willed commercial competitors high minded government regulators and finally a relentless quest for a global market From his large store of historical ketchup recipes Smith offers a representative sampling of the appetizing the intriguing and the outlandish Reflecting the diversity of the condiment s myriad incarnations the volume includes recipes for more than 110 ketchup varieties made from such unexpected ingredients as apricots beer celery cucumbers lemons liver raspberries and rum
