Dyanne Davis, 2010-08-01 When Heaven falls in love with Hamid a Pakistani medical student despite their cultural and religious differences she knows there will be problems but she never guessed how many Heaven's business is taking off and she is reluctant to leave it Hamid has sworn to go back to Pakistan and open a medical clinic They try to keep their relationship going but it's an uphill battle with Heaven in the US and Hamid in Pakistan the strain very quickly begins to wear them down If they are going to make their love work they must find a way to bridge the continental divide *Goodbye,*

My Tribe Vic Sizemore, 2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore's collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections *The Story of The Bee Gees* Bob Stanley, 2024-02-06

A dazzling biography of one of the bestselling bands of all time told with brilliant insight by renowned pop music scholar Bob Stanley The world is full of Bee Gees fans Yet for a band of such renown little is known about Barry Maurice and Robin Gibb People tend to have their favorite era of the Bee Gees's career but many listeners are also conscious that there is more to uncover about the band This book will provide the perfect solution by pulling together every fascinating strand to tell the story of a group with the imagination of the Beatles the pop craft of ABBA the drama of Fleetwood Mac and the emotional heft of the Beach Boys Uniquely the Bee Gees's tale spans the entire modern pop era they are the only group to have scored

British top ten singles in the 60s 70s 80s and 90s and includes world conquering disco successes like Stayin Alive and More Than a Woman both from the soundtrack of the hit film Saturday Night Fever But the Bee Gees s extraordinary career was one of highs and lows From a vicious but temporary split in 1969 to several unreleased albums disastrous TV and film appearances and a demoralising cabaret season the group weren t always revelling in the glow of million selling albums private jets and UNICEF concerts Yet even in the Gibbs darkest times their music was rarely out of the charts as sung by the likes of Al Green Kenny Rogers and Dolly Parton and Destiny s Child Capturing the human story at the heart of the Bee Gees this book is a lyrical and stylish read delighting hardcore fans with its details while engaging casual pop readers who simply want to know more about this important and enigmatic group Defender of the Flame John B. Sixteen Years in Captivity James Optic, 2021-11-19 I never understood just how important a human soul could be to God The soul is the only thing we actually own and the only place I belonged I was raised by a single mother and she loved God with all her heart So many times we

would fall asleep to the sound of gunfire Out of this chaos God chose me I fought against Him and His will for so long Every time I knocked down by life and Satan God and all His love would stand me up again stronger than before I sought acceptance through friendship and many of those friendship proved dangerous and destructive to my soul I went on to fight in the Iraq war and for a country that never wanted to accept me I saw the horrors of war and then returned to the never ending horrors of gang violence drugs and poverty I knew something had to change and it had to start with me giving God my soul and my love Not every preacher speaks the will of God Each of us has the power of the Spirit to reach out and help our fellow man We must look outside of ourselves and our community and help all our brothers and sisters in need My hope is that this book serves as a testament to the mercy and love of God and the power of Jesus and the Holy Spirit All of us as believers have access to the gifts God has promised to us Let us use them to bring glory to the name and power of God Amen
