Top Notch Second Edition Review:

How to Write a BA Thesis, Second Edition Charles Lipson, 2018-12-05 How to Write a BA Thesis is the only book that directly addresses the needs of undergraduate students writing a major paper. This book offers step by step advice on how to move from early ideas to finished paper. It covers choosing a topic, selecting an advisor, writing a proposal, conducting research, developing an argument, writing and editing the thesis, and making through a defense. Lipson also acknowledges the challenges that arise when tackling such a project and he offers advice for breaking through writer's block and juggling school life demands. This is a must read for anyone writing a BA thesis or for anyone who advises these students. **Head**
