Improving Practice and Performance in Basketball Aaron T. Scanlan,Vincent J. Dalbo,2019-11-18 Despite being one of the most popular sports worldwide basketball has received limited research attention compared to other team sports Establishing a strong evidence base with high quality and impactful research is essential in enhancing decision making processes to optimize player performance for basketball professionals Consequently the book entitled Improving

Performance and Practice in Basketball provides a collection of novel research studies to increase the available evidence on various topics with strong translation to practice in basketball. The book includes work by 40 researchers from 16 institutions or professional organizations from 9 countries. In keeping with notable topics in basketball research, the book contains 2 reviews focused on monitoring strategies to detect player fatigue and considerations for travel in National Basketball Association players. In addition, 8 applied studies are also included in the book, focused on workload monitoring, game-related statistics, and the measurement of physical and skill attributes in basketball players. This book also has a strong focus on increasing the evidence available for female basketball players who have traditionally been underrepresented in the literature. The outcomes generated from this book should provide new insights to inform practice in many areas for professionals working in various roles with basketball teams.

Performance Analysis in Team Sports Pedro Passos, Duarte Araújo, Anna Volossovitch, 2016-11-10. Filling an important gap in performance analysis literature, this book introduces the key concepts and practical applications of performance analysis for team sports. It draws on cutting-edge research to examine individual and collective behaviours across an array of international team sports. Evidencing the close relationship between coaching and performance analysis, it promotes a better understanding of the crucial role of performance analysis in team sports for achieving successful results. This book not only presents a variety of different ways to analyse performance in team sports but also demonstrates how scientific data can be used to enrich performance analysis. Part one delineates the main guidelines for research in performance analysis, discussing the characteristics of team sports, coaching processes, variables characterizing performance, and methods for team member interaction analysis. Part two drills down into performance analysis across a range of team sports, including soccer, basketball, handball, ice hockey, volleyball, and rugby. *Performance Analysis in Team Sports* is an essential companion for any course or research project on sports performance analysis or sports coaching and an invaluable reference for professional analysts.

Great Expectations Christopher B. Doob, 2018-05-20. In *Great Expectations: The Sociology of Survival and Success in Organized Team Sports*, sociological analysis proves to be a powerful ally for grasping how the sports world unfolds for team players, providing a range of sociological ideas and concepts that extend throughout the book. The text boxes and class discussion sections help summarize key issues, linking important sociological concepts to the topics at hand. The eight chapters begin with an introduction and then detail athletes' activities at different stages in their development.

The Digital NBA Steven Secular, 2023-06-20. The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA. Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century. As fans around the world stream games and other league content, NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil, China, and beyond. Secular's analysis reveals

how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape The Digital NBA shows how the games we love became content first and sport a distant second *A Brief History of Basketball in the Caribbean - From Beaches to Backboards* Luckey Helms, 2024-07-26 Immerse yourself in the vibrant world of Caribbean basketball with *A Brief History of Basketball in the Caribbean* This book takes you on a journey through the islands exploring how basketball has become a beloved sport that unites communities and ignites national pride From its introduction by American servicemen and educators to the rise of local leagues and international stars this book offers a comprehensive look at the sport's evolution in the Caribbean Read about the pivotal moments and influential figures that have shaped Caribbean basketball including the success of players like Patrick Ewing and Tim Duncan Explore the unique blend of athleticism creativity and resilience that characterizes Caribbean basketball and discover how the sport has provided opportunities for youth and fostered a sense of identity and belonging With engaging narratives and in depth analysis *A Brief History of Basketball in the Caribbean* celebrates the rich history and cultural significance of basketball in this diverse region This book is a compelling and informative read for basketball fans students of Caribbean history or anyone curious about the intersection of sports and society **Social Statistics for a Diverse Society**
