A New Guinea Bibliography, 1984 **Notes from the Royal Botanic Garden, Edinburgh** Royal Botanic Garden, Edinburgh, 1990 Ten Thousand Years of Cultivation at Kuk Swamp in the Highlands of Papua New Guinea Jack Golson, Tim Denham, Philip Hughes, Pamela Swadling, John Muke, 2017-07-07 Kuk is a settlement at c 1600 m altitude in the upper Wahgi Valley of the Western Highlands Province of Papua New Guinea near Mount Hagen the provincial capital The site forms part of the highland spine that runs for more than 2500 km from the western head of the island of New Guinea to the end of its eastern tail Until the early 1930s when the region was first explored by European outsiders it was thought to be a single uninhabited mountain chain Instead it was found to be a complex area of valleys and basins inhabited by large populations of people and pigs supported by the intensive cultivation of the tropical American sweet potato on the slopes above swampy valley bottoms With the end of World War II the area with others became a focus for the development of coffee and tea plantations of which the establishment of Kuk Research Station was a result Large scale drainage of the swamps produced abundant evidence in the form of stone axes and preserved wooden digging sticks and spades for their past use in cultivation Investigations in 1966 at a tea plantation in the upper Wahgi Valley by a small team from The Australian National University yielded a date of over 2000 years ago for a wooden stick collected from the bottom of a prehistoric ditch The establishment of Kuk Research Station a few kilometres away shortly afterwards provided an ideal opportunity for a research project Encyclopedia of Library and Information Science Allen Kent, 1997-05-08 Supplement 23 AIDS HIV Programs and Services in Libraries to User Interface Evaluation *A New Guinea Bibliography: Economics, Commerce, Transport, Psychology and Education*, 1984 **The Neglected War** Hermann Hiery, 1995-12-01 In the summer of 1914 Germany's Pacific colonies were a quiet backwater of its empire But the shots of Sarajevo shattered the Pacific as well as Europe Within weeks of the outbreak of World War I Western Samoa German territory to be taken in the war New Guinea and the Micronesian lands were occupied by Australian New Zealand and Japanese forces Current historiography claims that World War I made little difference to the indigenous populations of the Pacific and that this change in colonial masters had little effect on those they ruled The Neglected War challenges this interpretation World War I and its aftermath Hermann Hiery claims had a tremendous effect on the Pacific Islands Hiery details the policies pursued by Australia New Zealand and Japan showing how each viewed and treated the indigenous populations Administered by military officers with little civil oversight the new colonial regimes employed the mandates they had received at the Paris Peace Conference with impunity Hiery's scrupulous review of the evidence gathered from largely unknown primary sources has uncovered a story of masquerades and coverups negligence and duplicity leading in some cases to full blown atrocities Most of all he tells the story of Pacific Islanders how they coped with the dramatic changes brought about by the war and how they tried to influence its consequences Many Islanders were fully aware that their political destiny was to be redefined after the war and

a few even saw it as an opportunity to achieve independence This is also the story of their failure Behind the evidence gathered here lie fundamental questions How important are the differences in the nature of particular colonial regimes and what effect do such differences have on indigenous peoples How do indigenous peoples interpret disparities in colonial rule This revisionist work addresses these issues while shedding light on a crucial time in the history of the Pacific *Pangu Returns to Power* Peter King,1989 Examines the political background to the 1982 elections transverses such campaign issues as corruption and extravagance in government relations ith Indonesia divisions in the ruling coalition and party swapping and analyses the national election result and its aftermath in Pangu s parliamentary triumph of August 1982 *The Rise of Pacific Literature* Matthew Hayward, Maebh Long,2024-09-03 In the 1960s and 1970s the staff and students of two newly founded universities in the Pacific Islands helped foster a golden age of Oceanian literature At the University of Papua New Guinea and the University of the South Pacific bold experiments in curriculum design recentered literary studies around a Pacific modernity Rejecting the established British colonial model writer scholars placed Pacific oratory and a growing body of Oceanian writing at the heart of the syllabus From this local core students ventured outward to contemporary postcolonial literatures where they saw modernist techniques repurposed for a decolonizing world Only then did they turn to foundational modernist texts encountered at last as a set of creative tools rather than a canon to be copied or learned by rote *The Rise of Pacific Literature* reveals the transformative role and radical adaptations of global modernisms in this golden age Maebh Long and Matthew Hayward examine the reading and teaching of Pacific oral narratives European and American modernisms and African Caribbean and Indian literature tracing how Oceanian writers appropriated and reworked key texts and techniques They identify the local innovations and international networks that spurred Pacific literature s golden age by reading crucial works against the poetry prose and plays on the syllabi of the new universities Placing internationally recognized writers such as Albert Wendt Subramani Konai Helu Thaman Marjorie Crocombe and John Kasaipwalova alongside lesser known authors of works published in Oceanian little magazines this book offers a wide ranging new account of Pacific literary history that tells a fresh story about modernism s global itineraries and transformations *Pacific Universities* R.
