**VAMPIRE** The Richard Chase Murders is the tale of a diabolical homicidal madman running amok mutilating and murdering the unsuspecting residents in the quiet neighborhoods of Sacramento CA His diabolical and unrelenting desires not just to kill his victims but to drink their blood unleashed a terror within the city unlike anything the residents had ever known By the time Richard Trenton Chase graduated high school everyone knew he was strange But no one had any idea how bizarre he d become or what dark impulses were flowing through his troubled brain The transformation from the outwardly strange young man to the diabolical killer he ultimately became was gradual and would not become known until it was too late First it was the killing of small animals and birds and the drinking of their blood However when these sacrifices failed to satiate his needs Richard Chase would seek out the highest form of life and the city of Sacramento California would react in horror to the hideous murders and mutilations committed by his hands For those living in the quiet neighborhoods where the murders occurred it was nothing less than a time of terror until the fiend was captured **VAMPIRE** is an in depth look into the life and disturbed mind of a killer his family and his many victims the living as well as the dead Within these pages you ll discover what it was like for the police and what a difficult job they had finding a killer they knew wouldn t stop until he was apprehended It was a race against time in a series of murders that would stun even the most hardened investigators It is the story of a city under siege held captive by the man whose appetite for blood could not be satiated **A Thirst for Blood**

Ray Biondi,Walt Hecox,2017-11-07 The fast paced inside story of the manhunt for bloodsucking serial killer Richard Chase Publishers Weekly Written by the case s lead homicide detective this gripping true crime account details the killing spree of one of California s most gruesome murderers Richard Chase aka the Vampire of Sacramento In January 1978 Sacramento police found the corpse of Teresa Wallin a loving wife and soon to be mother Veteran detective Lt Ray Biondi immediately knew the case would be unlike anything he had ever seen before The victim s body was deliberately disfigured in nightmarish

ways and evidence suggested the culprit had collected large volumes of her blood In less than a month a two year old boy was missing and two men another woman and a five year old child dead their bodies contorted like Wallin s to fulfill the killer s demented sexual desires and most disturbingly his taste for human blood Previously published as The Dracula Killer A Thirst for Blood is a riveting report of the investigation from eyewitness testimonies to the discovery of the crime scenes to Chase s interrogation Lieutenant Biondi and his coauthor Walt Hecox provide an unflinching look at the vampire killer and the cunning police work that finally put an end to his reign of terror The inspiration for Investigation Discovery s Lore Deadly Obsession and episodes of CSI and Criminal Minds Chase s crimes continue to haunt the world generations later **The Sacramento Vampire** Jack Smith,2021-04-27 Vampires aren t real But at one point in the 70s in California a man who had a penchant for drinking human blood and killing his victims terrorized the city of Sacramento Here is his story Richard Trenton Chase Jr otherwise known as the Sacramento Vampire terrorized California during the 1970s He brutalized killed and even ate his victims But what stood out most in the public s imagination was his penchant for drinking their blood like a modern day vampire The truth is Chase was a severely disturbed individual Some killers are cold blooded monsters some simply have terrible impulse control but others are completely deranged Chase fits into that category Since he was diagnosed with severe mental illness it remains debatable how cognizant and how culpable Chase was of what he was doing Prosecutors later highlighted several aspects of Chase s assaults which they believed showed that he was aware of the gravity of his actions and should therefore be held accountable His defense attorneys on the other hand tried to demonstrate that Chase was a man so removed from reality that he should be considered not guilty by reason of insanity At any rate whatever might have been going on in the mind of Richard Chase Jr his victims were real and the horrors he inflicted on them were very real as well The deeds of Richard Chase Jr most certainly make for a frightening sad and twisted tale This book documents this disturbed man s troubled life his horrific rampage and his subsequent demise in full Scroll back up and click the BUY NOW button at the top right side of this page to order your copy now *The Vampire of Sacramento* True Crime Seven,Genoveva Ortiz,2020-07-14 Even the coldest blooded killer was once a child Richard Trenton Chase started life without a hitch Popular and well liked his future looked bright as the Cali sun but those around knew nothing of the dark truths that he fostered His parents marriage was rapidly falling apart and soon he began to suffer from strange health problems Rapidly declining he decided there was only one solution and that was blood Richard s childhood fascination with death became a full blown psychotic obsession and the fear of losing his blood drove him to butcher and consume animals In time however this wasn t enough and Richard turned to larger game The Vampire of Sacramento became one of California s most notorious serial killers and Chase s crimes still haunt law enforcement to this day But how did it happen And could these crimes have somehow been prevented sparing lives and untold sorrow Draw your own conclusions as the judge of this disturbed young mind Was Richard Chase an evil soul or simply sick and lost CAUTION True Crime Explicit is a series that contains
