Winter Stars Larry Levis, 1985-03-31 Since the appearance of his first book in 1972 Larry Levis has been one of the most original and most highly praised of contemporary American poets In *Winter Stars* a book of love poems and elegies Levis engages in a process of relentless self interrogation about his life about losses and acceptances What emerges is not merely autobiography but a biography of the reader a representative life of our time Winter Stars Larry Levis, 2011

PRISMATICS: LARRY LEVIS & CONTEMPORARY AMERICAN POETRY Gregory Donovan, Michele Poulos, 2020-03-04 *Prismatics* Larry Levis he was the star risen out of a constellation of poets coming from Fresno In *Prismatics* many of our most notable poets offer insightful personal and detailed responses to and assessments of Larry's life and work Especially touching and salient are the interviews with Philip Levine Peter Everwine C G Hanzlicek and David St John Fresno poets and friends who knew him best and who knew Larry from the start They testify to his talent humanity and unmatched originality and voice For lovers of Larry's poetry of contemporary poetry this is an invaluable collection Christopher Buckley author of *A Condition of the Spirit* As I read through the interviews in *Prismatics* I found myself pausing in the middle of chapters rather than between them so as to savor the feeling of always being immersed in a rich and rewarding conversation I love the cumulative warmth of this book of so many poets speaking affectionately and thoughtfully about one of the great American poets of the 20th century as friend colleague lover co conspirator and cynosure But more than a commemoration of Larry Levis *Prismatics* offers meditations on passion creativity self destruction ambition and the nature of literary legacy It's a book as capacious and complex as the poetry of Levis itself Nicky Beer author of *The Octopus Game* and *The Diminishing House* Winter Stars, 1985 **Time's Fancy** Ronald Wallace, 2014-10-15 Winner of the 1995 Banta Book Prize for a Wisconsin Author Ronald Wallace is best known for his wit and good humor his synthesis of technical skill and strong emotion his sensory immediacy his accessibility and charm Now in *Time's Fancy* his fifth collection Wallace explores the tragic aspects of life more fully fashioning a declarative poetry that is darker and deeper more meditative and complex *Red Under The Skin* Natasha Saje, 2014-03-18 Winner of the 1995 Towson State University Prize for Literature Winner of the 1993 Agnes Lynch Starrett Poetry Prize *The Selected Levis* Larry Levis, 2013-09-18 Edited and with an Afterword by David St John When Larry Levis died suddenly in 1996 Philip Levine wrote that he had years earlier recognized Levis as the most gifted and determined young poet I have ever had the good fortune to have in one of my classes His early death is a staggering loss for our poetry but what he left is a major achievement that will enrich our lives Each of his books was published to wide critical acclaim and David St John has collected together the best of his work from his first five books *Wrecking Crew* 1972 *Afterlife* 1976 *The Dollmaker's Ghost* 1981 *Winter Stars* 1985 and *The Widening Spell of the Leaves* 1991 It is not an exaggeration to say that the death of Larry Levis in 1996 of a heart attack at 49 sent a shock wave through the ranks of American poetry Not only was Levis a good friend to many poets not simply of his own generation but of many

poets older and younger as well his poetry had become a kind of touchstone for many of us a source of special inspiration and awe With Larry Levis death came the sense that an American original had been lost It is not at all paradoxical that he saw both the most intimate expressions of poetry and the grandest gestures of art of language as constituting individual acts of courage One can only hope that like such courage Larry Levis s remarkable poems will continue to live far into our literature from the Afterword by David St John

Learning by Heart Maggie Anderson, David Hassler, 1999 A collection of poems written primarily between 1970 and 1995 by contemporary American poets that recall the experiences of elementary and high school

Dreams By No One's Daughter Leslie Ullman, 2016-02-02 Leslie Ullman traces through her speaker one woman s attempt to find herself and then to live that discovered self within an alien

wilderness that ranges from the indifferent to the frankly dangerous This volume edges toward the growing certainty to plain chance and lucky or unlucky coincidence Perhaps in response to the uncertain nature of the external world in *Dreams by No One s Daughter* Ullman s are very much poems of metamorphosis of becoming rather than static being Stephen C Behrendt

The Imaginary Lover Alicia Suskin Ostriker, 2014-11-15 Winner of the 1987 William Carlos Williams Award presented by the Poetry Society of America With *The Imaginary Lover* Alicia Ostriker takes her place among the most striking and original poets whose work is informed by feminist consciousness Her characterization of the best poetry by women in the New York Times Book Review aptly describes this book intimate rather than remote passionate rather than distant defying divisions between emotion and intellect private and public life and art writer and reader To read her poems is to discover not only more of what it means to be a woman but more of what it means to be human

Cold Comfort Maggie Anderson, 1986-10-15 *Cold Comfort* is a book of poems written out of deep affection and concern for the world in a dangerous time An urbane stylist Anderson characteristically focuses on rural and small town America where the events of personal history intersect those of the larger world

Giacometti's Dog Robin Becker, 2024-02-20 Celebratory or eligiatic these poems record the author s two headed journey to root herself geographically and emotionally in the world Becker s poems are from remote and familiar outposts the watery evanescence of Venice contrasts with the desert of the American Southwest we lean with her over the rim of a canyon or stand back to study a Giacometti sculpture From such settings arise poems on the death of a sibling the consoling power of painting and sculpture others celebrate the erotic and the capacity of the female body for pleasure and pain

traverse a wide landscape of topics from playing baseball the death of a friend divorce and even poetry itself *Six O'Clock Mine Report* Irene McKinney,2014-10-20 The speaker in Irene McKinney's poems is most often alone sitting at the side of a stream or standing at her own chosen gravesite in the Appalachian mountains and the meditations spoken out of this essential solitude are powerfully clear witty and wide ranging in content and tone The center sequence of poems in the Emily Dickinson persona explores and magnifies that great and enigmatic figure The poems are firmly grounded in concern for the ways in which the elemental powers are at work in the earth and in us on the surface of our lives and deeper in the underworld of the coalmines In McKinney's poems the human world is never seen as separate from the natural one Green Age Alicia Suskin Ostriker,2024-02-20 Alicia Suskin Ostriker is that rare combination a writer equally admired as poet and critic The variety of subjects in Green Age is characteristic of her writing from the opening poem Fifty funny courageous and defiant to a set of birthday poems for a grown daughter from emulations of the Persian mystic Rumi to the provocative Meditation in Seven Days whose central assumption is that we may find in the Bible traces of a Canaanite goddess whose worship was forbidden with the advent of patriarchal monotheism But if her subjects may seem formidable her poems are not Ostriker is accessible witty daring and humane and she has become one of the most praised poets of her generation **Blue Like The Heavens** Gary Gildner,2024-04-30 Aliveness is Gary Gildner's striking quality Crystal McLean writes in the magazine New Letters and this selection of Gary Gildner's previously published poems plus eighteen new poems demonstrates the aptness of that perception Accessible and eminently readable the poems in Blue Like the Heavens also possess great emotional depth Readers who complain about the obscurity of contemporary American poetry will delight in this book **Say This of Horses** Charles E.
