Vanity Of Duluoz:

Vanity of Duluoz Jack Kerouac, 1994-06-01 Written from the vantage point of the psychedelic sixties this fascinating loud mouthed novel The Guardian paints a portrait of young Kerouac dedicated and disciplined in his determination to be an important American writer The capstone of one of the most extraordinary influential maddening and ultimately prodigious achievements in recent literature John Clellan Holmes Originally subtitled An Adventurous Education 1935 1946 this is a key volume in Jack Kerouac s lifework the series of autobiographical novels he referred to as The Legend of Duluoz With the same tender humor and intoxicating wordplay he brought to his masterpieces On the Road and The Dharma Bums *Vanity of Duluoz* presents the formative years in the life of Jack Duluoz Kerouac s alter ego beginning with his high school experiences as a sporting jock in small town New England and his time at Columbia University on a football scholarship Just as Jack s glamorous new adult life begins so does World War II and he joins the US Navy to travel the world The more he experiences the more he realizes the limits of his former plans and decides to and return to New York where he collides with the start of the Beat movement and a riot of drugs sex and writing Written in 1967 *Vanity of Duluoz* was Kerouac s final work published before his death in 1969 *Vanity of Duluoz* Jack Kerouac, 1978 *Vanity of Duluoz* Jack Kerouac, 1990 American football war and the Beat way of life a Kerouac classic *Understanding Jack Kerouac* Matt Theado, 2000 Theado offers close readings of the works that make up the Duluoz Legend Kerouac s series of barely fictionalized re creations of his life and reveals how his awareness of his writing self increased over the course of his career *Kerouac* Paul Maher, 2007-01-16 This authoritative biography of writer poet and beat generation icon Jack Kerouac 1922 1969 recounts in gripping detail the story of his exceptional life and the key relationships that affected Kerouac s development as an artist including those with his three wives numerous girlfriends and beloved mother Kerouac presents a fresh and more accurate account of the author of On the Road one that neither ignores nor wallows in his flaws Beatdom Issue Three , **Becoming Kerouac** Paul Maher, 2023-11-14 Jack Kerouac was one of America s great writers of the latter half of the 20th century yet he endured a life characterized by persistent hardship and disillusion Leading Kerouac scholar Paul Maher Jr targets the writer s embattled insight of self as central to his life and work He reveals how Kerouac s troubled interactions with alcohol drugs and spirituality stamped its importance on his autobiographical prose and poetry and created a singular language that united thoughts on the human condition and spiritual liberation *Becoming Kerouac A Writer In His Time* affixes Kerouac s life and art in a fresh way giving readers a rich perspective from which to understand this 20th century literary genius Using unpublished archival material *Becoming Kerouac* focuses on the writer s critical formative years 1940 to 1957 to demonstrate his growth as a novelist and poet Maher contends that Kerouac developed his singular language to capture human consciousness as it never had before His futilities catapulted American literature to reflect its restless post World War II anxieties Narrating the events that comprised Kerouac s life biographers have long struggled to illustrate his complexness

and the contradictions that shaped his determinations and dogged his relationships But without consideration of the writing the troubles in life fail to reveal their deeper resonances by skillfully analyzing the work while tracing the events Maher achieves a full portrait revealing struggles that problematize his work Becoming Kerouac fuses Kerouac s life and art to comprehend this misunderstood literary genius

Charters,2024-09-04 This biography of the darkly intense handsome young man hero and prophet written with daring insight and honesty is a worthy monument The Los Angeles Times Now that Kerouac s major novel On the Road is accepted as an American classic academic critics are slowly beginning to catch up with his experimental literary style and examine the dozen books comprising what he called the legend of Duluoz Nearly all of his books have been in print internationally since his death in 1969 and his writing has been discovered and enjoyed by new readers throughout the world Kerouac s view of the promise of America the seductive and lovely vision of the beckoning open spaces of our continent has never been expressed better by subsequent writers perhaps because Kerouac was our last writer to believe in America s promise and essential innocence as the legacy he would explore in his autobiographical fiction It is about men and ideas that changed everything That s reason enough to read it The New York Times Behind the crazy rebel of the novels who inspired a whole generation to go hitchhiking across America in search of the myth of the rainy night lay a life of insecurity and wretched loneliness a duality perceptively illustrated by Ann Charters in her lucid well researched biography The Sunday Telegraph
