Beginning Windows 8.1 Mike Halsey, 2013-11-26 Windows 8 has been described by Microsoft as its boldest Windows release ever and the 8.1 update enhances the paradigm further. Beginning Windows 8.1 takes you through the new features and helps you get more out of the familiar to reveal the fullest possibilities for this amazing new operating system. You will learn with non-technical language used throughout how to get up and running in the new Windows interface, minimize downtime, maximize productivity, and harness the features you never knew existed to take control of your computer and enjoy the peace of mind and excitement that comes with it. From tips and tweaks to easy-to-follow guides and detailed descriptions, this book takes you inside Windows 8.1 to discover the true power and flexibility that lies within and guides you at your own pace through getting the very best from it.

Beginning Windows 10 Mike Halsey, 2015-10-13 Beginning Windows 10 takes you through the new features of this amazing new operating system, revealing some of its surprising capabilities and helping you customize it to suit you. Whether you are new to Windows or you want to get up to speed with the latest features and changes, this book has everything you need to get started. Author Mike Halsey shows you how to create an environment for school work and play that puts the important things at your fingertips while combining them in ways you never thought possible. Learn how to carry your personalized Windows experience with you as part of your Microsoft account instead of having it tied to one device while also keeping everything safe, secure, and backed up so you can enjoy peace of mind with your new PC. With the right start, your PC can become a tool that works for you, not against you, and leaves more of your time and energy free for the things that matter to you.

Beginning Windows 10 shows you how. What You'll Learn About the ins and outs of the Windows 10 interface and its new features. How to personalize your Windows experience to give trouble-free performance. How to manage your Microsoft account across different devices and services in the home, at work, and on the move. How to maximize your productivity with Windows 10. How to secure and configure Windows 10 to guarantee a safe and secure experience. How to use hack and manipulate Windows to enable advanced customization. Who This Book Is For. Beginning Windows 10 is for people new to Windows or who want to get up to speed with the latest version. This book also can help people who already know how to perform routine tasks learn how to get more out of Windows, their computer, and their time. Whether you want to get up and running with Windows 10 or want to go to the next level and learn useful ways to minimize problems, maximize performance, and optimize your overall Windows experience, this book is for you.
