Bird,2022-07-19 When we look to the Bible for role models in our daily discipleship we tend to think of Noah s obedience and David s bravery *Limping With God* Jacob and the Old Testament Guide to Messy Discipleship posits that we can also look to Jacob Jacob seems to be anything but a model disciple though we can learn a lot from his journey He s a trickster liar and selfishly ambitious man who fathers children with four women and leads a dysfunctional family rife with jealousy and backstabbing But Jacob is also Israel the namesake of the Old Testament community of God chosen and blessed As such this sinner saint who limps along with the Lord burdened by weakness and beset by problems is the mirror image of all of us who follow Jesus In Jacob s life we see our lives our struggles our failures and most especially the God who loves us and chooses us as his own As we explore his bio from his wrangling in the womb with Esau to his death as an old man in Egypt we will learn more about ourselves and the God who is with us and for us in Jesus the Messiah From the author I have entitled this book *Limping With God* instead of *Walking With God* or *Running With God* not because there would be anything wrong with those metaphors but because as Jacob limped away from his famous wrestling match with God so we all get by on bum hips and bad knees Following Jesus we gimp our way down the dark and slippery paths of life As we do we discover ironically that the longer we follow him the weaker we become and the more we lean on our Lord Finally at our most mature our eyes are opened to realize that we ve never run or walked or even limped a single day of our lives We ve been on Christ s shoulders the entire time
