SUMMER FUN

Dear Parents

Have a wonderful summer and enjoy the freedom that comes from long lazy days. Here are my top tips for making sure your child is ready for first grade in the fall

#1 Play!

Go outside, run, jump and play. Let your kids have unstructured time to just explore the beach, the park, the woods. Get outside and have some fun!

#2 Talk

Having conversations with your child is the very best way to expand their vocabulary and increase their vocabulary and storytelling ability. Ask them questions. Why? What do you think? Simple, but so very important.

#3 Visit

Visit family and friends, visit the library, visit museums, and parks and lakes. Let them have lots of experiences in different places and with different people.

#4 Read

Read to them, with them, and let them read to you. Read every day for at least 20 minutes. There is nothing better you can do than snuggle up with your child and read.

#5 Create

Create art. Give them a blank piece of paper, some crayons and let them be creative. Use sidewalk chalk, play-doh, markers, paint, and stand back and let them be creative.
