Wavewalker Stella Duffy, 2012-05-03 Saz has been hired by a mystery employer the Wavewalker to investigate the activities of Dr Maxwell North an internationally acclaimed therapist healer and guru She starts by experiencing *The Process* at a meeting in London then insinuates herself into North's life and home not realising the extent to which North will go to protect the dark secrets of his past Starting in 70s San Francisco then crashing into her own 90s London life the investigation propels Saz into dangerous territory and a highly combustible conclusion *Friends' Intelligencer*, 1928

The Visual Life of Climate Change Saffron O'Neill, 2025-12-08 Available open access digitally under CC BY NC ND licence Images can play a key role in communication but climate change imagery can be formulaic and narrow in perspective Going beyond polar bears and wildfires this book is a manifesto for opening up the visual discourse on climate Rather than portraying scenarios that can be remote from many people's lives Saffron O'Neill shows how images can be powerful tools to engage viewers and enable them to connect different issues together With engaging case studies and practical advice throughout the book shows how visuals can represent climate change in more diverse equitable inclusive and responsible ways *Turning Over the Pebbles* Mike Brearley, 2023-06-01 If you carry on like this you'll do nothing but play football and cricket all your life These were the exasperated words of Mike Brearley's mother as he once again trod mud into the family

home after a long day playing outdoors They were also an unwitting but half accurate prediction for Brearley would become one of the most successful sportsmen of his generation by playing cricket for Cambridge Middlesex and then becoming one of England's finest captains But for Brearley cricket wasn't just a physical activity it was also an intellectual game offering the chance to bring closer together body and mind When his cricketing career came to end during his playing days he had had a hiatus as a philosophy lecturer he eschewed sporting commentary for a career as a psychoanalyst In *Turning Over the Pebbles* which he calls a memoir of the mind Brearley reviews his life with its attendant emotions tensions and moves It is also a book of his second thoughts and reassessments allowing him to understand more fully things that were obscure to him earlier After all he says captaining ourselves like captaining a team requires a willingness to allow thoughts and feelings their space Deeply thoughtful erudite and elegantly framed this book seamlessly blends all aspects of Brearley's life into a single integrated narrative With wide ranging meditations on sport philosophy literature religion leadership psychoanalysis music and more Brearley delves into his private passions and candidly examines the various shifts conflicts and triumphs of his extraordinary life and career both on and off the field
